Mitzen argues that the origins of this practice lie in the Concert of Europe, an informal agreement among five European states in the wake of the Napoleonic wars to reduce the possibility of recurrence, which first institutionalized the practice of jointly managing the balance of power. Through the Concert's many successes, she shows that the words and actions of state leaders in public forums contributed to collective self-restraint and a commitment to problem solving—and at a time when ...

How states cooperate in the absence of a sovereign power is a perennial question in international relations. This book argues that global governance is more than just the cooperation of states under anarchy: it is the formation and maintenance of collective intentions, or joint commitments among states to address problems together. The key mechanism through which these intentions are sustained ...

What is "Concert of Powers" in
International Relations ...

The balance of power held sway during most of the nineteenth and the first part of the twentieth century. It was an inefficient mechanism at best, providing no automatic equilibration of power relationships. It also gave rise to both world wars this century. Under this system nations found it difficult to respond credibly to an aggressor state.
