Preschool Screening Inquiry - Prevent Blindness North Carolina
Preschool Children's Vision Screening Program. The Prevent Blindness North Carolina Preschool Vision Screening Program utilizes state-of-the-art, photo-refractive technology to detect potential vision problems for over 33,000 NC preschoolers each year. Endorsed by NC Department of Health and Human Services, the PBNC Preschool Vision Screening Program identifies vision problems at an early age, when diagnosis and treatment are most effective.

Preschool Children's Vision Screening Program - Prevent ...
September 17, 2020. For over twenty years, our Preschool Vision Screening Program has helped to ensure healthy vision for NC preschoolers, and despite a worldwide pandemic, we are maintaining a sense of hope and possibility that we can continue this invaluable, preventative service for our children. When our 2019-2020 screening year came to an abrupt end, we quickly began exploring safe and effective ways to adapt our screening protocol.
