This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the

body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Nineteenth Century Collections Online: European Literature, 1790-1840: The Corvey Collection includes the full-text of more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: * Novels and Gothic Novels * Short Stories * Belles-Lettres * Short Prose Forms * Dramatic Works * Poetry * Anthologies * And more Selected with the guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods. Additional Metadata Primary Id: B0028500 PSM Id: NCCOF0063-C00000-B0028500 DVI Collection Id: NCCOC0062 Bibliographic Id: NCCO000932 Reel: 66 MCODE: 4UVC Original Publisher: Printed for Longman, Hurst, Rees, Orme, & Brown Original Publication Year: 1821 Original Publication Place: London Original Imprint Manufacturer: Printed by A. & R. Spottiswoode Subjects Pastoral drama, English -- 19th century.

Ideal for residents starting in radiology and radiologic technologists, this concise manual is the perfect introduction to the physics and practice of CT and the interpretation of basic CT images. Designed as a systematic learning tool, it introduces the use of CT scanners for all organs, and includes positioning, use of contrast media, representative CT scans of normal and pathological findings, explanatory drawings with keyed anatomic structures, and an overview of the most important measurement data. Finally, self-assessment quizzes -- including answers -- at the end of each chapter help the reader monitor progress and evaluate knowledge gained. New in this fifth edition: Recent technical developments such as dual source CT, protocols for CT angiography, and PET/CT fusion.

The most stimulating installment yet in the acclaimed Looking Closer series! This enthralling collection of essays assembles some of the most intriguing critical commentary published in professional and general interest design magazines from 1997 to 2000. Over thirty contributors, including Rick Poynor, Kathy McCoy, Lorraine Wild, Veronique Vienne, Jessica Helfand, and others discuss such important contemporary themes as the rise and fall of the dot.coms and its influence on salary expectations, the ongoing controversy over the First Things First Manifesto, the call for greater responsibility in the design profession, and the antibranding protests that ignited demonstrations during recent World Trade Organization meetings. From current events to design principles, and aesthetics to ethics, graphic designers everywhere will savor this anthology of fresh perspective. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The Giggly Guide to Grammar is the life's work of a dedicated language arts teacher with a life-sized sense of humor and the hand of an artist. Cathy Campbell has both illustrated and long tested the exercises in this guide with her 9th grade students in The Woodlands, Texas. It's a lighthearted and ludicrous guide to the essential elements of language and grammar (with a few writing tips tossed into the mix). It's Shel Silverstein meets Strunk and White and the results are both hilarious and instructive. Tried and true, and everyone a delight, there isn't a serious sentence in the group. But this is a dead-serious grammar book with the heart of a clown. Lessons include: parts of speech, subject-verb agreement, parts of the sentence, clauses of all kinds, quotation marks and italics and much more. The Deluxe Teacher's Guide has a CD-Rom that includes a full answer set, posters for the classroom and a set of transparency-ready exercises for each of the chapters.

This Amigurumi handbook is filled with adorable photographs of puppies and easy-to-follow patterns to help you create them. Treat yourself to a darling friend to cuddle up with, make an entire family of puppies, or gift one to a loved one. The world needs more Ami Ami Dogs
