Principles of Teaching: Different Methods and Approaches

Our six principles of effective teaching form the base of our Professional Development (PD) Program to enable an equitable exchange of ideas and practices between teachers in all contexts. Underpinned by theoretical concepts and supported by effective outcomes and strategies, there is something of value to take from our principles of effective teaching, no matter where in your teaching career you are.

LRTT | 6 Principles of Effective Teaching

Teaching is more effective and student learning is enhanced when (a) we, as instructors, articulate a clear set of learning objectives (i.e., the knowledge and skills that we expect students to demonstrate by the end of a course); (b) the instructional activities (e.g., case studies, labs, discussions, readings) support these learning objectives by providing goal-oriented practice; and (c) the assessments (e.g., tests, papers, problem sets, performances) provide opportunities for students to ...
