With the up-to-date "Fifth Edition of Wayne Gisslen's classic "Professional Cooking, anyone can learn the essential hows and whys of cooking and "cook like a pro."

On Professional Cooking: "This book has a place in the library for all who want to understand and build their basic cooking skills." -The American Institute of Wine and Food On Professional Baking: "An encyclopedic and clear handbook of things to do with your oven, from challah to specialty meringues and mocha roll; even some unbaked desserts for sweet teeth are tucked in at the end of this textbook." -The Wall Street Journal Wayne Gisslen's Professional Cooking has been used by hundreds of thousands of chefs to master the basics of their craft. Packed with more than 1,200 recipes and more information than ever before, this Sixth Edition of the cornerstone resource offers complete, step-by-step instruction in the cooking theory and techniques necessary to succeed at the professional level. Special features include: Over 100 new recipes - including new recipes for meats, poultry, vegetables, and grains, as well as a new chapter on cooking for vegetarian diets Expanded and updated information- featuring a contemporary look at presenting and a detailed history of modern food service Superb photography - nearly 1,200 illustrations and photos highlighting ingredients, step-by-step techniques, and plated dishes

One of the most respected cookbooks in the industry - the 2002 IACP Cookbook Award Winner for Best Technical/Reference - "Professional Baking" brings aspiring pastry chefs and serious home bakers the combined talent of Wayne Gisslen and the prizewinning Le Cordon Bleu in one volume. The revised Fourth Edition offers complete instruction in every facet of the baker's craft, offering more than 750 recipes - including 150 from Le Cordon Bleu - for everything from cakes, pies, pastries, and cookies to artisan breads. Page after page of clear instruction, the hallmark of all Gisslen culinary books, will help you master the basics - such as pate brisee and puff pastry -and confidently hone techniques for making spectacular desserts using spun sugar and other decorative work. More than 500 color photographs illustrate ingredients and procedures as well as dozens of stunning breads and finished desserts.

The Ninth Edition of Professional Cooking reflects the changing nature of our understanding of cooking and related fields such as food safety, nutrition, and dietary practices, as well as new thinking about how best to teach this material. What has not changed is the core material that focuses on the essentials--the comprehensive understanding of ingredients and basic cooking techniques that are the foundation of success in the kitchen, and the development of manual skills to apply this knowledge.

This is the best selling undergraduate food preparation textbook. It has a long standing reputation for being comprehensive, yet easy for students to understand and follow.

Attractively designed and extensively illustrated with color photographs, line drawings, charts, and sidebars, this contemporary introduction to cooking and food preparation focuses on information that is relevant to today's aspiring chef. Comprehensive and well-written, it emphasizes an understanding of cooking fundamentals, explores the preparation of fresh ingredients, and provides information on other relevant topics, such as food history and food science. This introduction to cooking outlines professionalism, food safety and sanitation, nutrition, recipes and menus, tools and equipment, knife skills, kitchen staples, dairy products, principles of meat, fish and vegetable cookery, garde manger, baking, and presentation. Exciting, new features to this updated edition include: *Healthy Cooking chapter (Chapter 23) combines materials on basic nutrition (Chapter 3 in On Cooking, 4th edition), healthy cooking techniques and cooking for special diets such as vegetarian diets or allergic diets. *Over 250 new photographs emphasize procedural aspects of cooking. Virtually all recipes are now illustrated with photographs.*Updated concept changes to meet the Food Code revision (Chapter 20) *Fresh design, including over 300 new photographs and line drawings Content updates to reflect current trends in the Culinary Arts This book is an excellent reference for Chefs, Restaurant Managers and others in the food service industry.
