9780393708752 - Problem Solving Principles

Psychopharmacology Problem Solving

Gestalt Psychology and Problem-solving. To solve a problem, it's

essential to understand the problem

you are working with. In Gestalt

psychology, it is believed that a

problem consists of components that

File Type PDF

Psychopharmacology

are related and interact with one another. To solve the problem you need to reorganize these components to be able to discover a new solution.
