A facetious question posed by an NPR radio host lured me into reading Steve Young's memoir, QB: my life behind the spiral. Did the pro football Hall of Famer receive special treatment at Brigham Young University where he played quarterback because he is the great-great-great grandson of Brigham Young?

**Qb My Life Behind The Spiral [EPUB]**

"Steve Young's QB: My Life Behind the Spiral reads like he used to play: with fearlessness, creativity and accomplishment. This is not a typical, self-serving athlete autobiography. Young is unflinchingly honest in detailing his battles with anxiety, serving as role model for far more than just staring down a fourth quarter blitz. It's a ...

**Amazon.com: QB: My Life Behind the Spiral (9780544845763** **---**

I loved this autobiography of the famous Forty-Niner's quarterback. His life story was fascinating. I listened to about three quarters of the book on Audible as my husband listened to it on a trip. I didn't think I'd like it, but the kids and I got way into it and didn't want to miss any parts.

**Amazon.com: Customer reviews: QB: My Life Behind the Spiral**

"There has never been a QB like Steve Young, and there has never been a football memoir quite like QB: A Life. Young's battles with anxiety make you forget you are reading about a Hall of Famer, and make you root for him at every turn. This is a revealing, honest, compelling book that any fan will enjoy."

**QB: My Life Behind the Spiral** by Steve Young

NEW YORK TIMES BESTSELLER "This book is gold."—Peter King "Intense."—San Francisco Chronicle "Steve Young is a hero of mine, and his story is a source of inspiration for me. His perseverance, intelligence, and, most of all, grace under pressure NFL-style, make this book a fascinating read. Thanks, Steve, for sharing your story with one of your biggest fans!"—Tom Brady "Steve was extraordinary in every facet of life. I've never read a football book with more honesty and integrity—it's typical Steve. What a quarterback! What a man!"—Jim Nantz, CBS Sports "All football fans know what a tremendously talented and successful quarterback Steve Young was in his NFL career. But what they don't know about are the challenges and personal obstacles Steve had to overcome to make his dreams come true. This is a most exciting and compelling story."—Roger Staubach A stunningly candid look at what it takes to become a super-elite professional quarterback Steve Young produced some of the most memorable moments in NFL history. But his most impressive victories have been deeply personal ones that were won when no one was watching. His remarkably revealing memoir is the story of a Mormon boy with a 4.0 GPA, a photographic memory, and a severe case of separation anxiety. As an eighth-string quarterback at Brigham Young University, it was doubtful that he would ever see any playing time. But Young became an All-American, finished second in the Heisman voting, and was the top draft choice out of college. Then, after signing the largest contract in sports history, anxiety nearly drove him to walk away from football completely. In short, Young's quest in life was always about grit. Now, he shares the experience of being inside his helmet while he faces down his toughest adversaries, both on and off the field.

Jerry Rice has been called the best pro football player ever. In spite of Rice's legendary gridiron skills, or even his ability to transform himself into an instant ballroom-dance prodigy on ABC's hit TV series Dancing with the Stars, the surprising fact is, a guy like Jerry Rice is made and not just born. In Go Long! Rice shares the inspirational lessons and empowering practices that have helped him attain success, both on the football field and off. Through the ups and downs of Rice's life and incomparable career, we discover how self-motivation, determination, and humility are the keys to achievement and true fulfillment. It's been a long journey for Jerry Rice, from his childhood in Starkville, Mississippi, to a certain berth in the Pro Football Hall of Fame. As a kid, he was always working toward something, even if he wasn't sure what it was. Rice honed his hand-eye coordination by catching airborne bricks tossed by his siblings while on the job with their bricklayer father, and he ran-everywhere. From these humble beginnings, Rice blazed a path to greatness in college and the NFL—a trip that was fueled by tireless effort and belief in a few simple principles, among them that achievement is a voyage, not a destination; that modesty and perseverance, not talent, are what determine how far you will go; and that everyone should strive to be a role model. Rice even demonstrates these rules in action, breaking down the greatest games from his stellar career. Go Long! is an inspiring book by a living sports legend. More than that, however, it is the story of how Jerry Rice awakened the champion within, illustration how we can unlock the greatness within ourselves.

In this revealing, in-depth look at the NFL's greatest quarterback controversy, Adam Lazarus takes readers into the locker room and inside the huddle to deliver the real story behind the rivalry—when Joe Montana and Steve Young battled on and off the field and forged one of the finest football dynasties of all time. From 1987 to 1994, the two future Hall of Famers spurred each other on to remarkable heights, including three Super Bowl wins and four MVP awards, and set new standards for quarterback excellence. The two men couldn't have been more different in background, personality, and playing style, and their competition created as much tension as it did greatness, forcing Montana to prove that he was still the game's best quarterback and Young to prove that he was a worthy successor. Featuring candid interviews with Montana, Young, Jerry Rice, George Seifert, and many more, Best of Rivals brings to life the story of two sports legends, the golden era of football their rivalry presided over, and the amazing legacy it produced.

What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources: "Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right."—Peyton Manning "He coaches the way players want to be coached."—Ben Roethlisberger "He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back."—Andrew Luck "We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings. . . ." -- Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.

An autobiography describing the personal life and football career of the quarterback who led the San Francisco 49ers to a Super Bowl win in 1995.

As long as football is played, Joe Montana will be synonymous with the heart-pounding rally. Seemingly impervious to the pressure of a scoreboard deficit, the quarterback known as Joe Cool brought a steadying calm to every huddle, especially when the situation seemed especially dire. His reputation for miracles began to take root at the University of Notre Dame. In the 1979 Cotton Bowl, he overcame the flu, hypothermia and a 22-point deficit to lead the Fighting Irish to a stunning victory over Houston. This narrative continued in the NFL, as he engineered 31 fourth-quarter comebacks, including victories known in professional football lore as The Catch and The Drive, forever casting his career in a heroic glow. In MONTANA, acclaimed author Keith Dunnavant sketches the definitive portrait of a man who repeatedly defied the odds, on and off the field. While leading the San Francisco 49ers to four Super Bowl championships over a nine-year period, establishing a new standard for passing efficiency, and twice earning the league's Most Valuable Player award, Montana became the signature quarterback of the 1980s and one of the greatest ever to play the game. Overcoming his own limitations, which caused him to be underrated coming out of Notre Dame, he quickly mastered Bill Walsh's West Coast Offense, and thereby, helped reinvent offensive football. But it was rarely easy. Like the rallies he so often produced, his life was filled with the sort of tension that made his journey seem routinely dramatic: The father who pushed him. The high school coach who challenged his commitment. The college coach who very nearly squandered him. The back surgery that almost ended his career. The younger athlete who tried to take his job. Rich an anecdotal detail, insight and context, MONTANA is a powerful story about a man who was defined by his intense competitiveness, and how this intangibly helped him become one of the ionic figures in football history.

The inspiring personal story of a family, an athletic tradition, and fifty years of a great all-American game.

Meet Tim Tebow: He grew up playing every sport imaginable, but football was his true passion. Even from an early age, Tim has always had the drive to be the best player and person that he could be. Through his hard work and determination, he established himself as one of the greatest quarterbacks in the history of college football and as a top prospect in the NFL. Now, in Through My Eyes: A Quarterback's Journey, he shares the behind-the-scenes details of his life, on and off the football field. Tim writes about his life as he chooses to live it, revealing how his Christian faith, his family values, and his relentless will to succeed have molded him into the person and the athlete he is today.

"Over two decades, Brett Favre was as compelling a figure as any in the National Football League. He alone was 'Must-See TV.' In Gunslinger, Jeff Pearlman provides an extraordinary look at every facet of the life of a man who performed on sport's grandest stage and who had one helluva time along the way."—Al Michaels In Gunslinger, Jeff Pearlman tells Brett Favre's story for the first time, charting his unparalleled journey from a rough rural childhood and lackluster high school football career to landing the last scholarship at Southern Mississippi, to a car accident that nearly took his life, and eventually to the NFL and Green Bay, where he restored the Packers to greatness and inspired a fan base as passionate as any in the game. Yet he struggled with demons: addiction, infidelity, the loss of his father, and a fraught, painfully prolonged exit from the game he loved, a game he couldn't bear to leave. Gritty and revelatory, Gunslinger is a big sports biography of the highest order, a fascinating portrait of the man with the rocket arm whose life has been one of triumph, fame, tragedy, embarrassment, and—ultimately—redemption. "The compelling, complete story of his legend, and his faults."—Chicago Tribune

In the NFL, quarterbacks are kings. The right QB becomes the face of a franchise and marches his team-- and millions of fans-- on a glorious winning odyssey. The wrong QB leads his team to losses, infighting, second-guessing, and fan misery. A few become legends. Feinstein takes us inside the rarified world with five men who have achieved the highest levels in the NFL: Andrew Luck, Alex Smith, Joe Flacco, Doug Williams and Ryan Fitzpatrick. From college stardom to the NFL draft, from taking command of the huddle to marching a team down the field with a nation of fans cheering, you'll go inside the locker room and the huddle, the heat of battle, and the press conferences afterward. -- adapted from jacket.
