QuickBooks 2009 Solutions Guide This is the definitive, must-have reference for every business owner, entrepreneur, accountant, and bookkeeper who relies on QuickBooks 2009. Not a beginner's guide, it's a high-productivity resource for solving the problems that intermediate-to-advanced QuickBooks users encounter most often. Author Laura Madeira is superbly qualified to write this book: she has twenty years experience training professionals on Intuit products and has been selected by Intuit to introduce its new releases to accountants and entrepreneurs. Here, she offers real solutions for every QuickBooks accounting module, helping readers achieve their true goal for QuickBooks: a clear, up-to-date understanding of where the business stands, and where it's headed. Thoroughly updated for QuickBooks 2009, this book brings together indispensable, start-to-finish techniques for troubleshooting QuickBooks data files and fixing QuickBooks mistakes wherever they occur. Drawing on her unsurpassed experience, Madeira offers expert advice on every facet of QuickBooks accounting: data files, banking, A/R, undeposited funds, employee advances, inventory, A/P, sales tax, payroll, reporting, sharing data with accountants, and much more. This book will help you : • Quickly set up accurate charts of accounts — or improve existing ones • Use QuickBooks reports to understand the most important trends in your business • Correct data errors in any balance sheet account, from A/R and A/P to taxes and inventory • How to use the New for 2009! Client Data Review feature for accountants. • Properly review your payroll data and avoid expensive mistakes • Efficiently share business data with your accountant • Troubleshoot beginning balance differences, reconciliation errors, and many other problems • Learn to use the Intuit Statement Writer tool, New for 2009! Laura Madeira is founder of ACS, Inc., located in the greater Dallas, Texas area and an Intuit Solutions Provider that specializes in on-site and Internet-assisted accounting software implementation, set-up, training and troubleshooting. She has over twenty years of experience helping companies maintain accurate and timely accounting and financial information through one-on-one consulting, group classes, and web-based training. Madeira currently writes technical documentation and presentations for the QuickBooks product line as a member of the Intuit Accounting Professionals Trainer/Writer Network. She has also served on Intuit's Accountant and Customer Advisory Council and was a guest speaker for the QuickBooks Developer Network. Her "QuickBooks at Year-End" document has been distributed by Intuit at several national events and is one of Intuit's most requested training and presentation documents. Her expertise with QuickBooks and other Intuit software has been featured nationally in an Advisor Spotlight and widely-distributed promotional literature. She holds Intuit's Advanced Certified, Point of Sale Certified designations, as well as a bachelor of science in accounting from Florida Atlantic University. Manage your business and make sound decisions with the help of QuickBooks Quickbooks is a user-friendly accounting software program that can analyze data to help you make smart decisions for a small- or medium-sized business. However, few books explain how to maximize the features of QuickBooks reports for management purposes-until now. Author Conrad Carlberg guides you through the most beneficial ways to use and adapt QuickBooks reports by taking the summary data

and placing it into a context that helps manage a business. By avoiding aiming the coverage to a specific version of QuickBooks, this book is a timeless resource that clearly explains how to bring financial data together in order to help make wise business decisions. Use the popular accounting software program QuickBooks to help you make wise business management decisions Identify specific weak points in a business and learn how to turn them around Quantify working capital and manage inventory valuation properly Learn how to understand what QuickBooks reports say about the state of your business now and for the future Quickly get started converting QuickBooks accounting data into results that help you make informed business decisions and manage your business.

QuickBooks 2008 Solutions Guide for Business Owners and Accountants contains a wealth of information useful to both the business owner and the accountant who services such businesses. To make finding the right information easier, the book is organized into chapters specific to each accounting module in QuickBooks. The author has worked many years with businesses that use QuickBooks to manage their financials and knows that every company has its own unique needs, yet all share one common goal—to more accurately track how the business is performing financially. The goal of this book is to provide easy-to-read and easy-to-follow QuickBooks “consulting” advice that business owners, bookkeepers, or accountants can use. After reading the chapters in this book, business owners and accountants will be able to efficiently troubleshoot a QuickBooks data file and make needed corrections, so they can accurately report how the business is performing financially. This book helps you o Get started with a QuickBooks data file and learn how to modify the file you already have o Analyze your data and troubleshoot reports o Review and correct any data errors in your balance sheet accounts such as Banking, A/R, Undeposited Funds, Employee Advances, Inventory, A/P, Sales Tax, and Open Bal Equity Account o Use the tools in QuickBooks to properly review your payroll data and avoid costly mistakes o Efficiently share your business data with your accountant o Make the most of the QuickBooks reporting tools

Laura Madeira graduated from Florida Atlantic University with a major in accounting and is a certified trainer for Intuit’s Certified Trainer Network. As a member of this select group, she provides training to accountants and consultants each fall when the new version of QuickBooks is released. She also is a guest instructor for Intuit at many trade shows throughout the year, and she writes published QuickBooks technical documentation and presentations for Intuit. Laura owns a software and accounting firm that has for more than 20 years helped a large variety of businesses manage their financials using Intuit’s QuickBooks software (Intuit’s Quicken in those early years). In fact, she has been training users on QuickBooks since the very first version was released many years ago. Category Business Finance Covers QuickBooks 2008 User Level Intermediate–Advanced Front cover quote: “Laura Madeira has created an extremely valuable QuickBooks resource that belongs on every business and accountant’s bookshelf” –Rich Walker, CPA, Intuit Accountant Relations
