Hi, Im Xian Wen and to whoever's reading this right now, we have probably not met. In fact, it is precisely the beauty of being able to reach out to you with this humble little nugget of a book, whoever and wherever you are, that got me lured into the whole business of writing. This book is close to my heart for it conveys my many intimate thoughts. To me, every memory and every idea is worth sharing beyond ourselves, as they only live on and flourish when expressed and exchanged. I hope this book offers a light-hearted stopover to all my readers, a safe place to imagine and wonder away from the everyday stresses of life. If it could leave you a happier person than you found it, then that to me, would be a wish fulfilled.

This New York Times bestseller is the hilarious philosophy course everyone wishes they'd had in school. Outrageously funny, Plato and a Platypus Walk into a Bar... has been a breakout bestseller ever since authors—and born vaudevillians—Thomas Cathcart and Daniel Klein did their schtick on NPR's Weekend Edition. Lively, original, and powerfully informative, Plato and a Platypus Walk Into a Bar... is a not-so-reverent crash course through the great philosophical thinkers and traditions, from Existentialism (What do Hegel and Bette Midler have in common?) to Logic (Sherlock Holmes never deduced anything). Philosophy 101 for those who like to take the heavy stuff lightly, this is a joy to read—and finally, it all makes sense! And now, you can read Daniel Klein's further musings on life and philosophy in Travels with Epicurus and Every Time I Find the Meaning of Life, They Change it.
