Various political doctrines have been

directly influenced or inspired by

religions. Various strands of Political

Islam exist, with most of them falling

under the umbrella term of Islamism .

Graham Fuller has argued for a broader

notion of Islamism as a form of identity

politics , involving "support for [Muslim]

identity, authenticity, broader regionalism,

revivalism, [and] revitalization of the

community."

*Religion in politics - Wikipedia*

The relation between religion and politics continues to be an important theme in political philosophy, despite the emergent consensus (both among political theorists and in practical political contexts, such as the United Nations) on the right to freedom of conscience and on the need for some sort of separation between church and state. One reason for the importance of this topic is that religions often make strong claims on people's allegiance, and universal religions make these claims on ...

relationship between religion and politics is characterized by interdependence.

*Religion and Politics - Political Science - iResearchNet*

While the idea of religion influencing politics is most commonly associated with non-Western nations, Hunter argued that religion plays a role in shaping the politics of all nations. Even in an increasingly non-believing Europe, religious traditions play a crucial role in the construction of culture and national identity.

Religion in the United States is remarkable in its high adherence level compared to other developed countries. The First Amendment to the country's Constitution prevents the government from having any authority in religion, and guarantees the free exercise of religion. A majority of Americans report that religion plays a "very important" role in their lives, a proportion unusual among developed nations, though similar to other nations in the Americas. Many faiths have flourished in the United St

This book examines the shifting, non-linear relationship between religion, nationalism and politics in the state of Jammu and Kashmir, India. In the wake of the revocation of Article 370, the state's plural and relatively harmonious society has come under multiple strains, with religion often informing day-to-day politics.

## *Religion & Politics*

There are three models in history related to religion and politics. In one when religion and politics both unite with each other in an attempt to monopolize political power. We call it integration and sharing model. In the second model, politic, after subduing and overpowering religion, uses it for its interests. In this model religion plays subservient role to politics.

Religion is important for American politics because religion is important for Americans. 1 Yet, there are factors in American political life that amplify the role of religion in a way that is not seen in other developed countries. For a developed country, the U.S. is extraordinarily high on religion.
