With its deft deployment--and creative integration--of recent theories of mind and culture, the social and the psychological, Religious Experience Reconsidered will quickly establish itself as an indispensable resource for those of us determined to think past the otiose boundary between 'inner' experience and 'outer' environment that so bedevils scholarship in religious studies. Historians, anthropologists, and psychologists of religion will find this a stimulating and generative work, a ...

## Read Free Religious Experience Reconsidered A Building Block Approach To The Study Of Religion And Other Special Things By Ann Taves 23 Oct 2011 Paperback

Religious Experience Reconsidered: A Building-Block ...

Religious Experience Reconsidered. Book Description: The essence of religion was once widely thought to be a unique form of experience that could not be explained in neurological, psychological, or sociological terms. In recent decades scholars have questioned the privileging of the idea of religious experience in the study of religion, an approach that effectively isolated the study of religion from the social and natural sciences.
