The Laguna II range was launched in December 2000 with the first cars arriving in UK dealers in January 2001. Three multivalve petrol engines were available, of 1.6, 1.8 and 3.0-litre capacities as well as a 120bhp dCi diesel powerplant. Two bodystyles were offered, five-door hatch and five door Sport Tourer estate.

Renault Laguna specs, dimensions, facts & figures | Parkers

The Laguna has been reliable and very comfortable. The performance is good and the Diesel engine makes like of hills and is very quiet. Much superior to some petrol cars that I have driven during the same period. It is sad that Renault has discontinued the Laguna as it will be difficult going to another make for a replacement.
