Amazon.com: Customer reviews: Reporting Vietnam: Media and ...

The role of the media in the perception of the Vietnam War has been widely noted. Intense levels of graphic news coverage correlated with dramatic shifts of public opinion regarding the conflict, and there is controversy over what effect journalism had on support or opposition to the war, as well as the decisions that policymakers made in response. Heavily influenced by government information management in the early years of the conflict, the U.S. media eventually began to change its main source
