Getting Started: First, get to know about your animal. Read as much information about the animal as you can find. Try both the Internet and the library; try a good search engine, an encyclopedia, and individual books on animals. As you're reading about your animal, take notes on key information, such as where your animal lives (its range), what type of biome it lives in (its habitat), how big your animal gets, what it looks like, what it eats, what eats it, how long it lives (if this is ...
