ENDGAME - A PLAY BY SAMUEL BECKETT - SUMMARY
Endgame, by Samuel Beckett, is a one-act play with four characters. It was originally written in French; Beckett himself translated it into English. The play was first performed in a French-language production at the Royal Court Theatre in London, opening on 3 April 1957. The follow-up to Waiting for Godot, it is commonly considered to be among Beckett's best works. The literary critic Harold Bloom called it the greatest prose drama of the 20th century, and Samuel Beckett considered it his maste

Endgame (play) — Wikipedia
Endgame, play in one act by Samuel Beckett, written in French as Fin de partie and produced and published in 1957. It was translated into English by the author. Endgame has four characters: Hamm, the master, who is blind, wheelchair-bound, and demanding; Clov, his resentful servant, physically

Four characters play a game of life, concluding with the exit of one character and the immobility of the remaining three, in a study of man's relationship to his fellows

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
This collection of essays – the first volume in the Dialogue series – brings together new and experienced scholars to present innovative critical approaches to Samuel Beckett's play Endgame. These essays broach a broad range of topics, many of which are inherently controversial and have generated significant levels of debate in the past. Critical readings of the play in relation to music, metaphysics, intertextuality, and time are counterpointed by essays that consider the nature of performance, the history of the theater and the music hall, Beckett's attitudes to directing his play, and his responses to other directors. This collection will be of special interest to Beckett scholars, to students of literature and drama, and to drama theorists and practitioners.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
Originally written in French and first performed at the Royal Court Theatre in 1957, Samuel Beckett's Endgame is widely regarded as one of his most important works. The Making of Samuel Beckett's 'Endgame'/'Fin de partie' is a comprehensive reference guide to the history of the text. The book includes: A complete descriptive catalogue of available relevant manuscripts, including French and English texts, alternative drafts and notebook pages A critical reconstruction of the history of the text, from its genesis through the process of composition to its full publication history A detailed guide to exploring the manuscripts online at the Beckett Digital Manuscripts Project at www.beckettarchive.org This volume is part of the Beckett Digital Manuscript Project (BDMP), a collaboration between the Centre for Manuscript Genetics (University of Antwerp, Belgium), the Beckett International Foundation (University of Reading, UK) and the Harry Ransom Humanities Research Centre (University of Texas at Austin, USA), with the support of the Estate of Samuel Beckett.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
They didn't seem to take much interest in my private parts which to tell the truth were nothing to write home about, I didn't take much interest in them myself.' Produced in a 'frenzy of writing', these two novellas blur the line between dream and reality- one man wanders a city at night; another faces his own imminent death.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
Samuel Beckett was awarded the Nobel Prize for literature in 1969; his literary output of plays, novels, stories and poetry has earned him an uncontested place as one of the greatest writers of our time. Endgame, originally written in French and translated into English by Beckett himself, is considered by many critics to be his greatest single work. A pinnacle of Beckett's characteristic raw minimalism, it is a pure and devastating distillation of the human essence in the face of approaching death.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
A towering achievement in the career of Nobel Prize winner Samuel Beckett (1906-89), Endgame ranks among the finest works to emerge from the French theater of the absurd. First produced in 1957, Endgame brilliantly captures the essential vulnerability and absurdity of human beings in its presentation of the blind and paralyzed Hamm, his lame servant Clov, and Hamm's elderly, ash-bin-confined parents Nell and Nagg, all confronting questions of existence and purpose amid seeming hopelessness. That this one-act drama, which the Irish-born Beckett produced in not only French but English and German versions, has unceasingly attracted critics and audiences world-wide testifies to its endurance as one of the great masterpieces of twentieth-century drama. Though studies on Beckett and his contributions to fiction, poetry, and drama are legion, The Ashbin Play offers a refreshing new approach to this singular work. Analyzing the play by way of Beckett's own delineation of a sixteen-section structure, Arthur N. Athanason presents an innovative, spirited explication that is at once accessible and thought-provoking, its focus squarely on Endgame as a compelling live performance rather than a philosophical or biblical "mind game." Separate chapters place the work in its historical, literary, and critical contexts; examine the play section by section in terms of Beckett's scheme; and offer probing close-ups of each of the four characters. Through his engaging writing style and expert synthesis of a wealth of Beckett scholarship, Athanason has produced a winning critical study that will inform and stimulate thinking among students, scholars, and general readers.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
Murphy, Samuel Beckett's first published novel, is set in London and Dublin, during the first decades of the Irish Republic. The title character loves Celia in a "striking case of love required" but must first establish himself in London before his intended bride will make the journey from Ireland to join him. Beckett comically describes the various schemes that Murphy employs to stretch his meager resources and the pastimes that he uses to fill the hours of his days. Eventually Murphy lands a job as a nurse at Magdalen Mental Mercyseat hospital, where he is drawn into the mad world of the patients which ends in a fateful game of chess. While grounded in the comedy and absurdity of much of daily life, Beckett's work is also an early exploration of themes that recur throughout his entire body of work including sanity and insanity and the very meaning of life.

Endgame and Act Without Words Beckett Samuel [PDF, EPUB, EBOOK]
Samuel Beckett, one of the great avant-garde Irish dramatists and writers of the second half of the twentieth century, was born on 13 April 1906. His centenary will be celebrated throughout 2006 with performances of his major plays, including Waiting for Godot. Here are the two most famous plays for solo voice. Krapp's Last Tape finds an old man, with his tape recorder, musing over the past and future. Not I is a remarkable tour de force for a single actress, as a woman emits memories and fears. Also included are two other singular short dramas for single voice, That Time read by John Moffatt and A Piece of Monologue read by Peter Marinker.
