Saving Jesus from the Church: How to Stop Worshipping ... "Saving Jesus from the Church" is an eye-opening book written with wit and grace. Meyers, a liberal theologian in typically conservative Oklahoma, gives readers fresh perspectives on church history and doctrine and encourages a new focus on Jesus' words and deeds as revealed in the Gospels. Christianity should be more about action than abstract ...

Saving Jesus from the Church: How to Stop Worshipping ... Saving Jesus from the Church by Robin Meyers. This is by a pastor at Mayflower Congregational Church in Oklahoma. I loved this book. It's about getting back to the true message of Jesus - and the idea that Jesus didn't want to be worshipped or to found a church, but was a teacher who wanted people to follow his example.

Saving Jesus from the Church: How to Stop Worshipping ... " After centuries of being told that " Jesus saves, " the time has come to save Jesus from the church. If the door is locked, we will break in through the windows. If anyone forbids us to approach the table, we will overturn it and serve Communion on the floor.

Saving Jesus from the Church Quotes by Robin R. Meyers Saving Jesus from the Church How to Stop Worshipping Christ and Start Following Jesus By Robin R. Meyers Calls for a radical change in churches by putting the faithful on the path of Jesus and seeing Christianity as compassion, not condemnation.

Saving Jesus from the Church by Robin R. Meyers | Review ... — Desmond Tutu " Robin Meyers emerges in Saving Jesus from the Church as a national voice for a new Christianity. He is a well read scholar and a superb communicator. He writes with a

Saving Jesus from the Church: How to Stop Worshipping ... Saving Jesus from the Church is a wake up call to the 21st century church. Rather than lamenting declining membership and waning cultural influence of the mainline faith communities, Meyers travels back to the beginning of Jesus' life and embodied teaching to find a new way forward that is faithful to the earliest ways of those who sought to follow Jesus.

Review of Saving Jesus from the Church - So What Faith We can save Jesus from the church, and in doing so, recreate faith communities freed from hypocrisy and filled with hope. Diana Butler Bass "Meyers' insightful and provocative critique of contemporary Christianity will stimulate energetic theologizing: deconstruction, reconstruction, or impassioned defense of the inherited tradition.

Saving Jesus from the Church: How to Stop Worshipping ... We can save Jesus from the church, and in doing so, recreate faith communities freed from hypocrisy and filled with hope. " (Diana Butler Bass, author of Christianity for the Rest of Us) " Every once in a while, a book comes along that changes everything. This is the book. It is scholarly, pastoral, prophetic, and eloquent--all in equal measure.

Countless thoughtful people are now so disgusted with the marriage of bad theology and hypocritical behavior by the church that a new Reformation is required in which the purpose of religion itself is reimaged. Meyers takes the best of biblical scholarship and recasts these core Christian concepts to exhort the church to pursue an alternative vision of the Christian life: Jesus as Teacher, not Savior Christianity as Compassion, not Condemnation Prosperity as Dangerous, not Divine Discipleship as Obedience, not Control Religion as Relationship, not Righteousness This is not a call to the church to move to the far left or to try something brand new. Rather, it is the recovery of something very old. Saving Jesus from the Church shows us what it means to be a Christian and how to follow Jesus' teachings today.

" Scholarly, pastoral, prophetic, and eloquent. The invitation to follow Jesus instead of worshipping Christ could not come at a more important time, or be issued by a more credible source. There is a church not too far from us that recently added a \$25 million addition to their building.Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty.This is a book about those two numbers.It's a book about faith and fear,wealth and war,povertry, power, safety, terror,Bibles, bombs, and homeland insecurity,It's about empty empires and the truth that everybody's a priest, it's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from.It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers. A revelatory manifesto on how we can reclaim faith from abstract doctrines and rigid morals to find God in the joys and ambiguities of everyday life, from the acclaimed author of Saving Jesus from the Church "In this book of stories from four decades of ministry, Meyers powerfully captures what it means to believe in a God who's revealed not in creeds or morals but in the struggles and beauty of our ordinary lives."—Richard Rohr, bestselling author of The Universal Christ People across the theological and political spectrum are struggling with what it means to say that they believe in God. For centuries, Christians have seen him as a deity who shows favor to some and dispenses punishment to others according to right belief and correct behavior. But this transactional approach to a God "up there"—famously depicted by Michelangelo on the ceiling of the Sistine Chapel—no longer works, if it ever did, leaving an increasing number of Christians upset, disappointed, and heading for the exits. In this groundbreaking, inspiring book, Robin R. Meyers, the senior minister of Oklahoma City's Mayflower Congregational United Church of Christ, shows how readers can move from a theology of obedience to one of consequence. He argues that we need to stop seeing our actions as a means for pleasing a distant God and rediscover how God has empowered us to care for ourselves and the world. Drawing on stories from his decades of active ministry, Meyers captures how the struggles of ordinary people hint at how we can approach faith as a radical act of trust in a God who is all around us, even in our doubts and the moments of life we fear the most.

In this theological resource for spiritual transformation and social change, Carter Heyward rethinks the figure and import of Jesus for church, academy, and society. Rather than focus on the endlessly variable pictures of Jesus in contemporary biblical scholarship, and in radical opposition to the Jesus of the "Christian Right," Heyward presents "Jesus as our brother, infused with a sacred power and passion for embodying right (mutual) relation, and ourselves with him in this commitment." She goes on to "explore, concretely, how we might live this way." Wonderfully clear-sighted, this brief, faithful, and intelligent Christology offers reconstructions of incarnation, atonement, evil, suffering, and fear. It also sheds light on the significance of Jesus for ecological, racial, economic, and gender justice. Heyward's book envisions "a mighty counter-cultural force," which she names christic power, that can help save American culture from its greed and domination and save the figure of Jesus from culture-generated distortions. In short, Heyward's book will help people come to terms with the life-changing implications of Jesus' person and ethic. To a generation in search of the transforming potential of Christian commitment, Heyward's most important work offers both spiritual depth and unwavering commitment to the human good. A study guide to this book is available here on fortresspress.com. Click on the tab "Letter from the Author."

Christianity has always been about being saved. But today what Christians need saving from most is the toxic understanding of salvation we've received through bad theology. The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus. This is a book for Christians who are troubled by what we've become and who want Jesus to save us from the toxic behaviors and attitudes we've embraced. Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture, such as "Worship not Performance," "Temple not Program," and "Solidarity not Sanctimony." Each chapter includes thought-provoking discussion questions, perfect for individual or group study. There are many reasons to lose hope about the state of our world and our church, but Guyton offers one piece of good news: Jesus is saving the world from us, one Christian at a time.

A Syrian poet noted that, " The world holds two classes of men — intelligent men without religion and religious men without intelligence. " A Nobel Prize winning physicist, Dr. Steven Weinberg said, " Religion is an insult to human dignity. With or without it you would have good people doing good things and evil people doing evil things. But for good people to do evil things, that takes religion. " Could they both be right? Or is it possible that we could have a Christianity that is intelligible, believable, and credible? In order for that to be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient, fraudulent time warp. We need to help it remove itself from the cultural trance in which it exists, and the faulty beliefs which it holds. We continue to survive on and promote an ancient, discredited history of Jesus and the Church. The secular and Biblical Scholarship of the last 200 years has been largely ignored in today ' s Christian beliefs and practices. What we have today in Christianity is a distorted, disfigured and fraudulent hero of the Christian faith. We have numbed and parked our mental faculties regarding the historic knowledge of our religion, and the truthful, accurate, and proper exercise or practice of our religion. A Credible Christianity provides you with the best and latest scholarship, behavioral research, and psychological insight. Galileo, a hero of the Renaissance who was accused of sacrilege in his day said, " I do not feel obliged to believe that the same God who has endowed us with sense, reason, and intellect has intended us to forego their use. " Visit his website: walterkianiaphd.com

" [Philip Gulley ' s] vision of Christianity is grounded, gripping, and filled with uncommon sense. He is building bridges instead of boundaries, and such wisdom is surely needed now. " —Richard Rohr, O.F.M, author of Everything Belongs Quaker minister Philip Gulley, author of If Grace Is True and If God Is Love, returns with If the Church Were Christian: a challenging and thought-provoking examination of the author ' s vision for today ' s church... if Christians truly followed the core values of Jesus Christ. Fans of Shane Claiborne, Rob Bell, and unChristian will find much to discuss in If the Church Were Christian, as will anyone interested in the future of this institution.

Jesus promised that those who truly put his teachings into practice would do all the wonders he did and greater. Why then, even after 2,000 years, has there never yet been any significant sign of these wonders happening in any of the more than 20,000 Christian Churches and Congregations that are proud to bear his name today? The Crucifixion took place on the eve of Passover. That major Jewish Festival centered on the sacrifice of a lamb on the altar of the Temple. The shedding of its blood was believed to wash our sins in the sight of God. It was almost inevitable that the earliest followers of Jesus would have tied Jesus to the Sacrificial Lamb of Passover. Over the centuries this warped belief that Jesus is a Suffering Savior, who came here to die for our sins, has dealt a crippling blow to the emergence of the spiritual power that he promised us. There is hope. This book assaults those crippling beliefs by an investigation that ranges through history, the religious mindset, and the workings of the brain. It shows how we can learn to change these deeply embedded and subconscious programs. As Jesus said: "Those who have ears to hear let them hear."
