Kings are sometimes crowned into greatness, wealth, and peace. However, for Prince John, this was not the case. Decisions regarding allies come quick. Invasion is on the rise and usurping is foreshadowing. A neighboring kingdom split by sea seeks aide. If getting involved is the answer, it could cause devastation to many families. Although, there are many warriors that have seen battle living in Carraig. The kings of the past were not rulers of always peaceful times. Therefore, the citizens remain ready for anything that may come their way. The younger generation has been raised in the arts of war and many long for it. There are plenty loyal to their beautiful kingdom and would die to defend it. This may not be the course of action that John wants to take. He loves his family and prefers peace and longevity of his people. But he may not have a choice.....
