We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, The Logic of God, apologist Ravi Zacharias offers 52 entries that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas, Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds."

In a dialogue between Oscar Wilde and Jesus Christ, the hedonistic classical author asks why humans have strong appetites for pleasure if God did not intend us to indulge them. Original.

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic\Wilde openly defied the mores of Victorian society. His literary repartee fueled an \if it feels good, do it\ humanistic philosophy that is still prevalent in the world today. SO WHAT does JESUS SAY?

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions—and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

A hypothetical conversation between Jesus Christ and Adolf Hitler - two men who are polar opposites in character of good and evil, respectively.

Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

Why would a loving and powerful God allow so much pain and suffering? In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. WHY SUFFERING? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In JESUS AMONG SECULAR GODS, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.

With inspiring stories and thought-provoking questions, Ravi Zacharias traces the multiple threads of our lives, describing how the unseen hand of God guides our joys, our tragedies, our daily humdrum to weave a pattern of divine providence and meaning.

The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In Why Jesus? Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series Out on a Limb, author James Redfield (The Celestine Prophecy), Rhonda Byrne (The Secret), Dan Brown (The Da Vinci Code), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: "Has Christianity Failed You?" Tickets were sold for the event and—to the complete surprise of everyone—the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.
