A journey may take hundreds of miles, or it may cover the distance between duty and desire. Sixteen of today’s hottest writers of paranormal tales weave stories on a common theme of journeying. Authors such as Kelley Armstrong, Rachel Caine, and Melissa Marr return to the beloved worlds of their bestselling series, while others, like Claudia Gray, Kami Garcia, and Margaret Stohl, create new landscapes and characters. But whether they’re writing about vampires, faeries, angels, or other magical beings, each author explores the strength and resilience of the human heart. Suspenseful, funny, or romantic, the stories in Enthralled will leave you moved.

Rule #3: Don't stare at invisible faeries. Aislinn has always seen faeries. Powerful and dangerous, they walk hidden in mortal world. Aislinn fears their cruelty—especially if they learn of her Sight—and wishes she were as blind to their presence as other teens. Rule #2: Don't speak to invisible faeries. Now faeries are stalking her. One of them, Keenan, who is equal parts terrifying and alluring, is trying to talk to her, asking questions Aislinn is afraid to answer. Rule #1: Don't ever attract their attention. But it's too late. Keenan is the Summer King who has sought his queen for nine centuries. Without her, summer itself will perish. He is determined that Aislinn will become the Summer Queen at any cost—regardless of her plans or desires. Suddenly none of the rules that have kept Aislinn safe are working anymore, and everything is on the line: her freedom; her best friend, Seth; her life; everything. Faerie intrigue, mortal love, and the clash of ancient rules and modern expectations swirl together in Melissa Marr's stunning 21st century faery tale.

In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary’s truths are failing her. She’s learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death?
