Critically-acclaimed author-illustrator Satoshi Kitamura (Hat Tricks) celebrates the value of human connection in this hopeful picture book about the effect of a smile shared between people. A small boy has saved all his pocket money and visits the market with high expectations. When disaster strikes and he loses his money, he feels very devastated. But wait, what’s that? A Smile Shop? He could really do with a smile. What will happen if he goes in? Featuring charming, classic illustrations reminiscent of Maurice Sendak and Tomie dePaola, Satoshi Kitamura’s The Smile Shop is an absorbing setting for readers to explore themes of independence, self-worth, and the effect of a smile shared between people. Activity sheets and discussion guide available!

I am always fine until the kids come. One day in my first year of teaching, I was talking with another new teacher. We were venting our frustrations over all the new challenges we were facing, and she said, I am always fine until the kids come. We laughed it off, but the reality is, many new teachers feel this way. We feel great about teaching until were faced with the actual challenges of classroom management. We feel confident until that moment our students walk through our doors. This book will teach you how to embrace a perspective where you see your students not as the most difficult part of your day but as the inspiration and catalyst behind your growth as a teacher and, honestly, as a person. Your students and their impact on your life will become some of the biggest rewards of your career.

Structured Methods in Language Education (SMILE) is a complete language/literacy program, easily implemented and shown to be effective in teaching language skills to individuals of all ages, with profound disabilities. It uses progressive methods of instruction, phonics, and word-building.

Raina Telgemeier’s #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

What every special education teacher needs to know to survive and thrive A Survival Guide for New Special Educators provides relevant, practical information for new special education teachers across a broad range of topic areas. Drawing on the latest research on special educator effectiveness and retention, this comprehensive, go-to resource addresses the most pressing needs of novice instructors, resource teachers, and inclusion specialists. The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (Holes), with a brand-new cover! “Give me a dollar or I’ll spit on you.” That’s Bradley Chalkers for you. He’s the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren’t afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . .

Meeting a key need for teachers, this book provides practical, data-based tools for helping students with attention-deficit/hyperactivity disorder (ADHD) succeed in the classroom. The authors combine instructional expertise with extensive knowledge about the nature and treatment of ADHD. Coverage includes ways to support students and teach them needed strategies in core
