"I have to say that I had to calm down at the ending!!! This is an exceptional story! Penelope Fletcher is fearless. The world building is unparalleled. This is her best book by far and I loved all of the others. The love triangle is engrossing but it is clear who it has to be and I am rooting for that one!! I have to say I generally do not go for stories with triangles but her writing is so good she had me from the moment the Dragon exploded!" ~ Linda, US Wounded, a dragon drops from the sky to crash in front of Marina in an explosion of fire.
