The connector is similar to one on a Pure ChargePak LP37. I already had a look at the manual for my model which is a Sony XDR-DS16iP but nothing there. The only replaceable item you can obtain is the remote control! I went to a couple

of Maplins stores but nobody there has seen a mains lead like the Sony one before! 0. Nigel Goodwin Posts: 49,510. Forum Member 29/06/15 - 17:22 #4. There's no ...

Adventure, conspiracy and shapeshifting - X-Men meets Alex Rider. Dax Jones is an ordinary schoolboy . . . until something extraordinary happens. Whilst frightened for his life, he inexplicably changes into a fox! He is offered a place at a secret government school where he can develop, and learn to control, his powers. But if Dax accepts, on no account can he tell anybody. Dax jumps at the chance of getting away from his unhappy home. But before long he begins to wonder who exactly is behind the school, and what they want from the pupils there. Suddenly Dax's fox senses are on high alert . . .

"With this first masterpiece of Western military history forming the backbone of his book, Robin Waterfield explores what remains unsaid and assumed in Xenophon's account - much about the gruesome nature of ancient battle and logistics, the lives of Greek and Persian soldiers, and questions of historical, political, and personal context, motivation, and conflicting agendas. The result is a rounded version of the story of Cyrus's ill-fated march and the Greeks' perilous retreat - a nuanced and dramatic perspective on a critical moment in history that may tell us as much about our present-day adventures in the Middle East, site of Cyrus's debacle and the last act of the Golden Age, as it does about the great powers of antiquity in a volatile period of transition."--BOOK JACKET.

Prayer is a privilege that God has given to His children. We can talk to our heavenly father directly and receive answers. The attitude of many Christians shows that they do not believe that God really answers prayer. But why pray if you will not get results? If you look closely at Scriptures which speak about prayer, you will discover that Jesus did say that we might possibly get an answer to our prayers. He said that we would get an answer. "We do not worship the sun, the moon or the rivers. We worship a living God who has the power to save and to deliver!" says Dag Heward-Mills. The first step is to pray yourself and the next important step is to pray to the Father because Jesus was directing us to pray to the heavenly father when he is no longer with his disciples. According to the writer the third vital step is to use the name of Jesus because God will respond when he hears the name of His son. In this book Dag Heward-Mills gives the most important steps when praying.

An excellent, comprehensive clinical reference thoughtfully revised to address new challenges facing emergency nurses, emergency medical technicians and paramedics. **MANUAL OF EMERGENCY CARE** details the basic principles of emergency care; includes up-to-the-minute advances in emergency care, medical, trauma, and special case emergencies; contains four entirely new chapters devoted to patient education, allergies, forensic nursing and legal issues; and offers thoroughly revised, more detailed chapters on sexual assault, wound care, and domestic violence. \* Includes complete, up-to-date and practical information for clinical practitioners and nursing students. \* Presents a team approach to problem solving, reflecting actual practices in emergency departments. \* Covers assessment parameters, diagnostic tests, therapeutic interventions and other information pertinent to disorders and conditions **NEW TO**

THIS EDITION: \* Includes new chapter on forensic nursing thoroughly explaining the role of forensic nurses and the collection of forensic data. \* Offers a new chapter on patient and family education, stressing the growing importance of providing supports to help patients and their families continue recovery once they leave emergency care. \* Presents basic legal issues for emergency nurses in a new chapter addressing hot legal topics including legal consent, proper treatment of psychiatric patients, appropriate handling of forensic issues, and terms of the Emergency Medical Treatment and Active Labor Act (EMTALA). \* Provides a new chapter on allergies with detailed descriptions of reactions and the associated signs and symptoms, interventions, diagnostic tests, latex allergies, and patient education and support. \* Contains an updated, extensively detailed chapter on sexual assault listing proper procedures for collecting, securing and transferring evidence, following up, documenting the assault and testifying in court, all in a bulleted, easy-to-follow format. \* Offers newly revised wound management chapter with more detailed definitions and descriptions of wounds and wound care. \* Includes separate chapters on intravenous therapy and laboratory specimens. New chapter providing specialty information about forensic nursing (Chapter 40) thoroughly explains the role forensic nursing plays; situations calling for collection of forensic data; how to take forensic photography; how to collect, track, and document physical evidence appropriately; and treatment of and concerns surrounding special situations (e.g., gun shot wounds, stab wounds, suicides/accidents). A new chapter about patient and family education (Chapter 3) stresses the growing importance of providing the patient and family with the information they need as they continue through the healing process. This chapter helps emergency personnel identify learning needs, assess the learner, establish learning

goals, select and use appropriate teaching methods, evaluate the effectiveness, and document. Examples of discharge instructions for common ailments (e.g., nosebleed, wound care/burn care, sore throat/cold) are also included. New chapter on basic legal issues for emergency nurses (Chapter 8) addresses yet another hot topic by describing terms for legal consent (e.g., patient age, patient competency, reportable conditions/situations), proper treatment of psychiatric patients, appropriate handling of forensic issues, and terms of the Emergency Medical Treatment and Active Labor Act (EMTALA). A new chapter about allergies (Chapter 20) clearly and completely gives information about allergic reactions by providing definitions, describing types of reactions and the associated signs and symptoms and therapeutic interventions, listing diagnostic tests for allergies, explaining latex allergy, and giving information about education and support. Radically revised chapter on sexual assault (Chapter 31) that gives more in depth details about sexual assauRevision of wound management chapter (Chapter 21) to include more complete definitions and descriptions of wounds and wound care. Individual chapters for intravenous therapy (Chapter 6) and laboratory specimens (Chapter 7) to provide more specific and complete coverage of these important topics.

Stone shows how shared meanings can be learnt and expressed between autistic and non-autistic individuals, though they experience different perceptions of reality. She presents ways of creating autistic-friendly environments, modifying traditional responses to autistic behaviour and using literal learning, providing useful examples and exercises.

This moving memoir tells the story of how a young woman descended into the world of prostitution and drug abuse, yet found the strength to rebuild her life. Rhea Coombs's father is a convicted murderer and she grew up with a hippy mother who constantly moved house and lived in a succession of squats and communes before settling in Bristol. It was in Bristol that Rhea had her first introduction to drugs, pimps and prostitution. Pregnant at sixteen, she escaped to London and mixed with gangsters in seedy Soho nightclubs, eventually becoming addicted to crack and heroin and running a crack house. Rhea was forced to give up her children, but she never stopped loving them and through her strength and courage was finally able to escape for the world of drugs and prostitution, and regain custody of her children. This is her remarkable story.

The CD will be in a plastic envelope inside the back cover of the storybook. The story will be read once through for expression and enjoyment and then read again for children to read along at the same time. A sound would signal page turns. There will be a short introduction to the story to think about the cover and what the story will be about and the puzzle activity will be pointed out. The Think About questions will be read at the end. \* Read at Home is closely linked to Oxford Reading Tree, the most successful reading scheme in the UK, used to teach reading in well over 75 per cent of primary schools \* Each story provides a wide range of fun activities to support reading skills: - a Puzzle activity in every book to make reading fun and practise looking at detail - a game or fun activity like a Maze or Spot the difference - a treat for children to enjoy at the end of the story \* Provides clear parental support within and beyond the book: - a "Tips for Reading Together" page, giving parents practical ideas for

helping with their child's reading - a "Think about the Story" page providing stimulating ideas for parents to use with children when they are discussing the story - a "Useful common words" panel to highlight high frequency words used in the story which have a close correlation with the requirements of the National Literacy Strategy. \* Highly successful, high profile author and illustrator team: - Roderick Hunt, author of the original Oxford Reading Tree stories, and Cynthia Rider are superb storytellers with over 50 years educational experience between them. - Alex Brychta's humorous and detailed illustrations bring the stories alive and are known to and loved by millions of Oxford Reading Tree readers \* All titles the perfect format for sharing a book with beginner readers - slightly wider than Ladybird to allow for all the humour and detail of the illustrations! \* Read at Home fully supports government initiatives to encourage parents to support their child's reading.
