Soul Repair will help veterans, their families, members of their communities, and clergy understand the impact of war on the consciences of healthy people, support the recovery of moral conscience in society, and restore veterans to civilian life. When a society sends people off to war, it must accept responsibility for returning them home to peace.

~~Soul Repair: Recovering from Moral Injury After War~~

Soul Repair is no exception. But it takes a very different and important approach, viewing the emotional damage caused by war not just as an illness to be treated, but as moral injury. Moral injury is a term the authors use for the fragmentation of our moral sense after we are sent off to w I've read a number of books about the trauma suffered by war veterans as research for my new novel, Along the Watchtower.

~~Soul Repair: Recovering from Moral Injury after War by~~

The book Soul Repair: Recovering From Moral Injury After War takes a look at the notion of moral injury in returning combat veterans. Moral injury results from having to make difficult moral choices under extreme conditions, experiencing morally anguishing events or duties, witnessing immoral acts, or behaving in ways that profoundly challenge moral conscience and identity and the values that support them.

~~Review—Soul Repair: Recovering From Moral Injury After~~

"Soul Repair is an eloquent, deeply human reminder that war is not just what takes place on a distant battlefield. It is something that casts a shadow over the lives of those who took part for decades afterwards.

~~Soul Repair: Recovering from Moral Injury After War—Brock~~

Soul Repair: Since 2012, The Soul Repair Center at Brite Divinity School has offered public education and conducted research on moral injury and recovery for military veterans. During this time, it has educated religious and non-profit communities, employers, educators, religious leaders, chaplains, seminarians, and medical care-givers about the ways to support processes of healing for those who experience military moral injury and their families.

~~Soul Repair—Brite Divinity School~~

"The pastoral healer is a physician of fractured souls. We injure our souls by failing to follow our moral compass, or when our moral compass becomes misdirected because of the harm others do to us...Healing from lost innocence is not innocence regained. It is innocence mourned and moral integrity reestablished.
