Neighborhood Zoning ...

Online Library Special Districts The Ultimate In

Special districts are independent, special-purpose governmental units that exist separately from local governments such as county, municipal, and township governments, with substantial administrative and fiscal independence. They are formed to perform a single function or a set of

Online Library Special Districts The Ultimate In

related functions. The term special district governments as defined by the U.S. Census Bureau excludes school districts. In 2007, the U.S. had more than 37,000 special district governments.
