LAUNCH A CAREER IN MEDICAL CLAIMS BILLING

The market for medical claim billers is growing exponentially. With legions of providers and an ever-expanding patient pool, health-care industry spending is

Where To Download Start

expected to grow
by 5.8 percent each
year through 2024.

By then, health-
care spending will
total \$5.43 trillion
and account for
19.6 percent of the
gross domestic
product. So let
there be no doubt:
Health care is big
business and its
growth shows no

Where To Download Start

signs of slowing.

This makes it the perfect time to start your own medical claims billing service.

Whether establishing a solo practice, joining a group, or purchasing an existing practice, this comprehensive

Resource provides in-depth information on the fundamentals of strategic practice management and future planning for the medical practice. It tackles options, challenges, and trends related to business and practice management facing medical practices,

Where To Download Start

and strengthening your position to thrive for many years to come. A valuable educational resource, Starting, Buying, and Owning the Medical Practice outlines the strategic options and alternatives available when determining the

Where To Download Start

your own most appropriate models and methods for successful stability and growth.

Organized in two sections, the first part provides both practical and operational functions of a practice's start-up, including such considerations as

Where To Download Start

Legal, financial, and personnel. Part two focuses on practice ownership and structure models that have emerged in the health care industry, including private ownership, physician alignment strategies, and the physician as an employee.

Beneficial tools and

Where To Download Start

guidelines help strengthen the physician's current position within the practice regardless of the health care venture they are in or planning for the future. This book provides business insight to questions asked and challenges faced by practices today, as

Where To Download Start

Well as how recent trends have impacted physician decision making for future needs.

Features include: *

- Current health care trends -- aids in strengthening the physicians current position or determining the position they are most comfortable in

is the book you
want to read! This
book takes you step
by step through the
process of starting

Where To Download Start

Your own medical
billing service from
your home. The
world of medical
billing is an ever
changing one.

Policies and
procedures are
constantly being
updated. In this
book I will teach
you how to stay on
top of them.

Medical providers

Where To Download Start

And their staff do not have the time or resources to keep up with insurance companies and their seemingly constant policy changes.

Many medical providers outsource to professional medical billing services, like the one I will teach you to be. This book

Where To Download Start

will take you step
by step to start
your medical billing
service. Including
all the tools you
need to get started,
how to market a
provider, writing a
professional
contract,
determining your
fees, and choosing
software. I also
share my secrets of

Where To Download Start

medical insurance
companies and
patient collections
with you.

Throughout the
book I discuss
additional services
you can offer to
generate even more
income for your
medical billing
service. You can
and will be
successful!
