Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

As the only she-wolf in a generation, Lucia McGraw ' s destined to mate with a Wild Lake Alpha. An arranged marriage will cement the peace on Wild Lake and secure her brother ' s power among the packs for decades to come. There ' s just one problem. Free spirit Lucia ' s never been one to do what she ' s told. To her brother ' s constant frustration, she never misses a chance to raise a little hell. When Lucia finds an outlaw shifter trespassing on pack lands, chasing him off is

just the kind of trouble Lucia loves to stir up. But this cat stands his ground and ignites a primal need in her she wasn't expecting. Acting on it could raise a little too much hell. For Lucia, catching this tiger by the tail might just bring the packs to the brink of war. Clint Yeager wasn't looking for trouble. After a brutal shifter war in South America, he's just hoping to lick his wounds and get as far north as he can. But he's never seen anything like Lucia before. He thought female shifters were extinct. Her feral, passionate nature stirs his inner tiger past the point of control. The smart thing to do would be to keep on running and forget he ever saw her. But, his animal has other ideas and pursuing her might just put Clint in the crosshairs of every wolf shifter in the country. Reader's Note: This story takes place roughly 30 years before the events in the main Wild Lake Wolves series. Each book in the Wild Lake Wolves series (including this one) is a full length, stand alone, cliffhanger free, super sexy werewolf shifter romance. Book Themes: Wolf shifter romance, paranormal romance, werewolves, witches and wizardry and magic, fated mates, historical romance 20th Century, strong female character, possessive alpha male, full length, stand alone novel, tiger shifter, weretiger

"Lock your doors. Hold them tight. Close your windows. Every night. Don't go out, in case he's there. Always live in total fear." Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes and she finds herself questioning what is real, and what is not. Mara always assumed her mate would be a man from her own pack. A good man. Not a sadistic, sinful Alpha named Kaden.

THE LAST THING HE WAS LOOKING FOR...Jake is an alpha wolf on a mission to find his missing sister, who's been kidnapped by the Alpha of his former pack. What he didn't expect to find was a whole group of omega's being held captive along with her. When he catches the scent of his fated mate among the group of omegas, he knows that he will do whatever it takes to get them all to safety - even if it means taking them all, along with a group of his alpha buddies and forming their own pack, a thousand miles to the north. WAS THE ONE PERSON HE NEEDED. Kai was shocked when his own father sold him to the evil Alpha Fremont for a paltry sum of gold. He is befriended by the ragtag group of omegas who also being held in a life of captivity. That is, until the night that a gorgeous Alpha appears, looking to rescue his sister. He takes all of them to safety, along with his studly posse of alpha wolves, moving them all up north to form a new pack. HIS FATED MATE...THE FATHER OF HIS CHILD? Kai soon becomes pregnant, settling into his new-found role as the Alpha's mate, he begins to feel safe for the first time in his life. As his pregnancy progresses, so does the danger, as the former Alpha tracks them down - putting their new pack, and Kai's future happiness, at risk. Ethan I've never had to worry about things in my life. I lived inside a stifling bubble of protection, wealth, and status. But when I hear that our planet has an enemy, and that they are dying and need our help, I try to get answers. Instead I get a pat on the back and the boot out of my father's office. My father already lost one child, he didn't want to risk another. Drake Seidemen is everything an Alpha ought to be and more. I just didn't expect him to fall onto my anemone garden and I didn't think he'd steal me from my planet. He also stole my heart. *** With an evil brother who wants Drake Seidemen's position as head Alpha, what will he do to achieve that? Will Drake and Ethan be safe? Find out inside! There's an HEA, no cliffhangers and of course an adorable baby born in the middle of a flower field.

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

A NEW YORK TIMES BESTSELLER • The enthralling true story of the rise and reign of O-Six, the celebrated Yellowstone wolf, and the people who loved or feared her. Before men ruled the earth, there were wolves. Once abundant in North America, these majestic creatures were hunted to near extinction in the lower 48 states by the 1920s. But in recent decades, conservationists have brought wolves back to the Rockies, igniting a battle over the very soul of the West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, O-Six, a charismatic alpha female named for the year of her birth. Uncommonly powerful, with gray fur and faint black ovals around each eye, O-Six is a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. She is beloved by wolf watchers, particularly renowned naturalist Rick McIntyre, and becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is challenged on all fronts: by hunters, who compete with wolves for the elk they both prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who are vying for control of the park's stunningly beautiful Lamar Valley. These

forces collide in *American Wolf*, a riveting multigenerational saga of hardship and triumph that tells a larger story about the ongoing cultural clash in the West—between those fighting for a vanishing way of life and those committed to restoring one of the country's most iconic landscapes.

In the latest *Shifters Unbound* novel, a man has resigned himself to a life half lived. But a beautiful, courageous woman has him longing for something more... Graham McNeil knows that his pack is unruly, but he's not sure he can take the next step toward Shifertown stability—choosing a new mate. After losing his mate and son long ago, Graham has worked hard to keep his heart in check. And even if he was inclined to bind himself again, his girlfriend, Misty, is human—a fact that won't sit well with Graham's old-fashioned wolves. But Graham is up against a new enemy, one who could spell danger and death to all of Shifertown. Graham must now defend his leadership and save Misty, the woman he has grown to love—before Shifertown is pulled into an all-out war.
