The townspeople do not discover their mistake until after he is long gone and moments before the announcement of the arrival of the real government inspector. The Government Inspector ridicules the extensive bureaucracy of the Russian government under the tsar as a thoroughly corrupt system. Universal themes of human corruption and the folly of self-deception are explored through this drama of Russian life.

national government was separated into three branches: the executive branch, the legislative branch, and the judicial branch. Each branch of government was given specific and unique powers that could not be exercised by the other branches. This system is known as separation of powers. The idea behind separation of powers is to use the structure of government to
