APPLICATION: Sunflower seed wax is a hard-crystalline wax with an outstanding oil binding capacity. In stick preparations, the wax contributes to the product hardness, improves mold release and has a great impact on the heat resistance. Also, it is an excellent gelling agent and gives stick preparations stability and a long-lasting shine as well as a nice texture.

The aptly named brand RITUALS knows a thing or two about creating a sensual vibe, and this Rituals of Ayurveda candle is, well, very vibe-y. It's also made from natural sunflower wax. With an ingredient list inspired by Ayurvedic medicine, the most prominent notes in this candle are soothing Indian rose and sweet almond oil.
