Strategies for Teaching Short Stories. Adaptations: A useful way to get students to think about genre specifics is to ask them to adapt a short story into a short play. Divide them into groups and assign them either a short section of the work or the entire thing itself (if you think they're up to it). Once they've written a short script, ask them to act out their scene for the class.

For the purpose of teaching our students, we can usefully divide these elements into two groups. The first group comprises the basic components of a story and is generally taught to elementary and middle school students, while the second group consists of more complex elements taught to more advanced students.

~~Teaching Story Elements — Literacy Ideas~~

When teaching narrative writing, many teachers separate personal narratives from short stories. In my own classroom, I tended to avoid having my students write short stories because personal narratives were more accessible.
