**Refereed Publications**

Organizational culture is a  
set of shared assumptions,  
values, and behaviors that

# Acces PDF Test Manual To Accompany Organizational

characterize the functioning of an organization. This culture can definitely impact project management.

For example, if an organization values project management and follows the guidelines for applying it, it will be much easier to practice good project management.

## **Instructor's Manual to Accompany**

Describe the four factors that directly influence individual behavior and performance. 2. Summarize the five types of individual behavior in organizations. 3. Describe personality and discuss how the "Big Five"
