A bold, holistic and often spiritual examination not merely of the world of advertising, but also of the entire world view, this book reveals how people's relationships with self, others, their businesses, the economy, and the Earth impact every aspect of life. Serafinn shows why traditional ways of selling are ultimately doomed to fail, and how both business owners and consumers can begin to heal the world by embracing a new paradigm.

A Pattern of Prayer is a guide to prayer based on the daily, weekly, and occasional prayers of an intentional, ecumenical, Christian community called Grace and Main Fellowship in Danville, Virginia. It's designed to cultivate a rhythm to the life of prayer either in groups or by individuals. Providing a structure for morning, midday, evening, and night prayer, it is an excellent devotional aid that also allows the reader, or readers, to pray along with others wherever they may be. Also included are some of the prayers and blessings used in the work of the community, as well as the community's "identity statements" or "little rule." To make use of the prayerbook, all you'll need, in addition to the book, is a Bible.

"You won't want to miss this fast-paced, sexy ride!" Cora Seton - New York Times & USA Today bestselling author Meet the Alpha Cowboys we wish were real, and the sisters who bring them to their knees. They're tough, they're tender, and they're not afraid to put it all on the line for the Grace sisters. Now, in ONE boxed-set - Books 7-9 in the Cowboys of the Flint Hills Series - The Graces Heart of a Bad Boy - While she may have crushed on him as a teenager, rodeo star Colton Kincaid is kind of man that spells trouble for good-girl Lydia Grace. He's definitely not her type - until he convinces her otherwise the night of his brother's wedding. Still, Lydia is determined to stay away. Until she realizes Colton is the only one who can help her save her fledgling boot company, and he makes her an offer too tempting to refuse. But will a fake-engagement make their wildest dreams come true? Or will Colton's bad-boy past ruin everything? Heart of a Bull Rider - Rodeo star Cody Hansen lost everything on a bull named Damnation. Broken and trying to piece his life back together, Cody's unprepared for the feelings that erupt when his childhood bestie and the sweet 'girl next door', Carolina Grace is assigned to be his physical therapist. But Cody's not the only one broken, and as the two struggle to rebuild their lives, will the solace they find in each other give them the courage to reach for love one more time? Heart of a Rancher - Lexi Grace can't stand Jarrod O'Neill. In her opinion, the cocky, arrogant lawyer who always seems to best her in court, needs to be taken down a notch. But after too much Irish whiskey and dirty limericks the night of her sister's wedding lead to a scorching encounter between the sheets, Jarrod has other plans. Including moving to Prairie. Even though their chemistry is explosive, they end up on opposite sides of a political race that could bring them everything they want, or drive them apart for good. An Epic ending to the Cowboys of the Flint Hills series that will leave you laughing and crying.

Grace before meals is the prayer said most often in homes around the world, an act of worship common to every known society. The universal experience of sharing food fundamentally connects people to one another, to nature, and to the infinite. Expressing thanks for food represents a wonderful tradition that acknowledges bounty and our daily sustenance as gifts from the divine. *Bless This Food* presents 160 timeless mealtime blessings in an easy-to-use format. The eloquent prayers and poems have been carefully selected from the world's major religions, ancient traditions, and the work of great poets and thinkers, with sources ranging from Shakespeare to Starhawk, Tecumseh to the Tamil tradition, the North American plains to Pakistan. Each grace is introduced with cultural context and details about its history and evolution. Also included are two prayers in American Sign Language and the short prayer "bless this food" in nineteen languages. The result is a unique kind of soul food — and a recipe for gratitude at any mealtime gathering.

The Garden of the Soul: lessons from four flowers that unearth the Self is a book about becoming whole. It is a journey on the 'path of least resistance to the Self' through the imagery of four flowers that represent four spiritual principles: 'Give' (the Rose), 'Receive' (the Iris), 'Become' (the Daffodil) and 'Be' (the Lily). Taking the reader on a daring and magical journey through the author's life and imagination—from stage fright and burnout in a classical music conservatory, to life inside an Indian temple, to the hidden life of domestic violence, to finding inner peace atop an old English footbridge—*The Garden of the Soul* explores birth, death, love, art, spirituality and transformation in an eloquent, poetic and ultimately unforgettable way. It is an open invitation to readers to explore how they are already the heroes of their own lives.
