The Advantage by Lencioni, Patrick M

The Advantage by Patrick Lencioni The Advantage is about organizational health improvement. The four disciplines are building a cohesive leadership team, create clarity, over communicate clarity and reinforce clarity. That might not sound like much to you, but it's everything. Having read almost all of Patrick Lencioni's books, this is the ...

The Advantage : Why Organizational Health Trumps ...

No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with what they know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides.

Patrick Mouratoglou talks about Rafael Nadal and indoor courts. Speaking on this issue, tennis expert and coach, Patrick Mouratoglou said, “ What makes him so different and so difficult to beat on other surfaces, he doesn ’ t have that advantage indoors on hard courts because the bounce is low. There is a reason why on hardcourts indoors, the ...
