The African Diaspora African Origins

The African Union (AU) defines the African diaspora as consisting: "of people of native African origin living outside the continent, irrespective of their citizenship and nationality and who are willing to contribute to the development of the continent and the building of the African Union". Its constitutive act declares that it shall "invite and encourage the full participation of the African diaspora as an important part of our continent, in the building of the African Union".

African Origins contains information about the migration histories of Africans forcibly carried on slave ships into the Atlantic. Using the personal details of 91,491 Africans liberated by International Courts of Mixed Commission and British Vice Admiralty Courts, this resource makes possible new geographic, ethnic, and linguistic data on peoples captured in Africa and pulled into the slave trade.

Book Description: The African diaspora is arguably the most important event in modern African history. From the fifteenth century to the present, millions of Africans have been dispersed--many of them forcibly, others driven by economic need or political persecution--to other continents, creating large communities with African origins living outside their native lands.

homelands to other parts of the world.) In more-general terms, Pan-Africanism is the sentiment that people of African descent have a great deal in common,[]

African diaspora | history and sociology |
Britannica

The African Union defines the African Diaspora as individuals of African origin living away from their home continent (Africa). The phrase "African Diaspora"[] was coined during the 19th century, but only came into common use during the 21st century. The largest population of the African Diaspora resides in the following nations.
