Almost a year and a half ago I finished my billionaire romance serial His Every Whim and released the boxed set, The Billionaire's Whim. I included a bonus chapter at the end of The Billionaire's Whim and I made it available to all of my readers so they didn't have to buy the boxed set if they wanted the new chapter.. Recently, I had the full His Every Whim series re-edited and when I did ...

His Every Whim is a novelette by Liliana Rhodes. The problem with novelettes is they are way too short and are easily read quickly. This is book one in a series of the billionaire romance. I am not a true fan of these short novelettes which could easily have been made into one book. Ashley Monroe is just out of school with an Art History degree.
