The Book of Deeds. This is man's book in God's hand. The lives of kings and world leaders are chronicled for history's scrutiny. Of Josiah, it was said, "the acts of Josiah, and his goodness... and his deeds, first and last, behold, they are written in the book of the kings" (2 Chronicles 35:26-27).

The Book of Nature is a religious and philosophical concept originating in the Latin Middle Ages which views nature as a book to be read for knowledge and understanding. There also was a book written by Conrad of Megenberg in the 14th century with the original German title of "Buch der Natur". Early theologians believed the Book of Nature was a source of God's revelation to mankind: when read alongside sacred scripture, the "book" of nature and the study of God's creations would lead to a knowle

That is the genius of the Book of Mormon[]—there is no middle ground. It is either the word of God as professed, or it is a total fraud. This book does not merely claim to be a moral treatise or theological commentary or collection of insightful writings. It claims to be the word of God[]—every sentence, every verse, every page.

The book of Amos records God's assessment of ancient Israel's internal condition some forty years before she fell. The prophet was sent to warn the people and lead them to repentance, but they would not change. As punishment for her spiritual and moral decay, Israel was invaded by Assyria in 721 BC and crushed in a devastating war.
