Stephen Leather has just written another on the theme, and it is very high praise to say that it is nearly as good. His Chinaman is actually Vietnamese, but that is deliberate. The stalking ground is rural Ulster; the Chinaman's quarry the IRA boss who, he believes, ordered the London bombing that killed, among

Stephen Leather's *The Chinaman* is an outstanding action novel. A unique plot pits a retired Vietnamese special operations soldier against the vaunted and ruthless IRA. Nguyen Ngoc Minh fought for both the Vietcong AND South Vietnamese/American special operations forces. He was a skilled jungle fighter and specially trained assassin.

**Leather** The Chinaman is the first book in the Mike Cramer Series by Stephen Leather. This was quite a gripping and intense thriller- with violence, bombing, explosions, mystery, crime, IRA/Political elements, grief, heartbreak, loss, revenge, drama, action, and intrigue. The story kicks off with a bang and holds the intensity the whole way through.
