The cultural turn is a movement beginning in the early 1970s among scholars in the humanities and social sciences to make culture the focus of contemporary debates; it also describes a shift in emphasis toward meaning and away from a positivist epistemology. The cultural turn is described in 2005 by Lynette Spillman and Mark D. Jacobs as "one of the most influential trends in the humanities and social sciences in the last generation." A prominent historiographer argues that the cultural turn inv

'With the cultural turn in economic geography, the emphasis on economic necessity...has been contested by an agency-orientated cultural reading' that views engagement in such spaces as about the search for fun, sociality, distinction, discernment, the spectacular, and so forth, and more recently by a geographically sensitive approach that ascribes agency to affluent populations and economic rationales to deprived populations (Williams and Paddock (2003) Geografiska B 85, 3).

*Cultural turn - Oxford Reference*

The cultural turn was a movement among scholars in the social sciences to make culture the focus of contemporary debates within the discipline. The cultural turn has been described by one of its most prominent historiographers as a "wide array of new theoretical impulses coming from fields formerly peripheral to the social sciences," especially post-structuralism and various forms of linguistic analysis, which emphasized "the causal and socially constitutive role of cultural processes ...

*What does cultural turn mean? - Definitions.net*

The phrase cultural turn is commonly evoked in academic discourse to refer to a series of interrelated developments in the humanities and the social sciences that have occurred since the 1960s that have more or less radically changed the shape, aims, and practice, and possibly even audiences, of the humanities and social sciences. Most noted among these developments have been the emergence and global spread of a new intellectual formation called cultural studies, the impact of philosophical ...
