Steve Runciman's book

on the Eastern Schism

has become something

of a classic since its first

publication nearly 50

years ago. Runciman's

telling of this bitter tale -

and it is a tale that spans

Download File

PDF The

not only the 11th and 12th centuries, but has roots going back far deeper - is both concise and lucid. Runciman clearly details this narrative that has proved debilitating to Christianity ever since - not only between the East and the West, but also between the umpteen gazillion Protestant churches ...
