Attila, frequently called Attila the Hun, was the ruler of the Huns from 434 until his death in March 453. He was also the leader of a tribal empire consisting of Huns, Ostrogoths, and Alans among others, in Central and Eastern Europe. During his reign, he was one of the most feared enemies of the Western and Eastern Roman Empires. He crossed the Danube twice and plundered the Balkans, but was unable to take Constantinople. His unsuccessful campaign in Persia was followed in 441 by an invasion o

The End of the Huns: The Death of Attila and the Fall of the Hunnic Empire. Attila the Hun was also known as Flagellum Dei, which means the 'Scourge of God.'. With him at the lead, the Huns were one of the biggest threats faced by the Roman Empire. Although he was famously defeated by the Romans under Flavius Aetius and their Visigothic allies under Theoderic I at the Battle of Catalaunian Plains, Attila the Hun and his warriors were still a threat to the Western Roman Empire .
