As a request from all you wonderful Afterlife fans, I have compiled them all together for you, creating Part 1 of the Forbidden Chapters, so that you might enjoy these add extras. So, if you can't get enough of Draven, Vincent and Lucius, along with some of your other favourite characters from these three books, then look no further for your next Afterlife fix.Includes, sneaky 'Afterlife' break ins, first dates with domineering bosses and Vampire Kings. Drunken dirty dancing, mountain top massacres, violent vampire lessons and even a sexy bath or two.

Witty servant meets the brother of Chaos and one prank gone wrong later they’re all in the kind of mess that is unravelling an entire magical kingdom. Shade, an orphaned servant, who unknowingly carries deeply hidden secrets. Four Elite brothers from a long forgotten magical kingdom who rescue her, almost by accident, from her abusive master. Alpha and overprotective male lead, who knows from the beginning he needs to push her away but just can't resist. The kingdom is in the hands of a tyrant who literally controls death itself and is on a slow, torturous, killing spree. Reverse-harem plot from book one. Laugh out loud funny Dual or Multi POV after book one Slow-burn, the relationship and plot development are given real detail (full sexual content by book four) Full length novel at 80k + for book one, 100k+ for book two, and 180k+ for book 3.

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

An examination of the meaning of moral responsibility in literature and our everday lives suggests that we live in a violated world that dismisses taboos

The one thing that isn t a secret is that our world is in a monstrous MESS! A murderous mob has seized control of our planet. They have chilling plans for you and your family. The elite have sworn to suppress the forbidden secret, discredit it, and keep it from the public. They have deceitfully manipulated every aspect of our society mentally conditioning us to doubt, ignore, or reject the survival strategy offered in The Forbidden Secret. But a powerful figure is set to smash their agenda. Meanwhile, a rescue plan is in place, and simple steps will guarantee your survival."

With supernatural blue eyes and a commanding presence, Betsy, Veronica, and Brittany are spellbound with their mysterious adversary. But when they discover how much he knows about them, and that he intends to kill them for their faith, they realize they won't make it out alive—unless they deny the Messiah.

Reproduction of the original from the Yale Law School Library.

Following on the heels of the successful New Testament for Everyone commentaries by acclaimed scholar and author N. T. Wright, Westminster John Knox is pleased to announce the first volumes in the all new Old Testament for Everyone Bible commentary series. John Goldingay, an internationally respected Old Testament scholar, authors this ambitious series, treating every passage of Scripture from Genesis to Malachi, addressing the texts in such a way that even the most challenging passages are explained simply and concisely. Perfect for daily devotions, Sunday school prep, or brief visits with the Bible, the Old Testament for Everyone series is an excellent resource for the modern lay reader. The book of Genesis is a lively read featuring familiar biblical tales such as the creation of the world, Adam and Eve and the forbidden fruit, Noah and the flood, Abraham and Isaac, Jacob and Joseph, the Tower of Babel, and Sodom and Gomorrah. While readers may know the facts of these stories, Goldingay's work will instill in them a deeper understanding of their spiritual and theological significance. True to the For Everyone series' goal, Goldingay writes in a thoroughly accessible and engaging style with chapter titles such as "Friday Lunchtime," "Bigamy, Music, Technology, Murder," "Babylon becomes Babble-on," "Stuff Happens," and "Two Guys Who Need Their Heads Banged Together."

We human beings are burdened by our tendencies to harshly judge others and ourselves. Unfortunately for believers, this bent is as prevalent in the church as in the world. Pastor and author Gregory A. Boyd calls readers to a higher standard through understanding the true manner in which God views humanity: as infinitely worthwhile and lovable. Only an attitude shift in how we perceive ourselves in light of God's love can impact how we relate to people and transform our judgmental nature. Believers wrestling with the reality of God's love and Christians struggling with judging in the local church will appreciate this examination of how we move from a self-centered to a Christ-centered life.
