The Format Age: Television's Entertainment Revolution ...

Few trends have had as much impact on television as formats have in recent years. Long confined to the fringes of the TV industry, they have risen to prominence since the late 1990s. Today, they are a global business with hundreds of programs adapted across the world at any one time, from mundane game shows to blockbuster talent competitions, from factual entertainment to high-end drama.

Television Formats | Media Across Borders

The term can refer to a television set, a television show, or the medium of television transmission. Television is a mass medium for advertising, entertainment, news, and sports. Television became available in crude experimental forms in the late 1920s, but it would still be several years before the new technology would be marketed to consumers.
