The book is filled with past examples and events that provide lessons for promoting and successfully pursuing contemporary entrepreneurship as a means of contributing to the welfare of society. The Invention of Enterprise lays out a definitive picture for all who seek an understanding of innovation's central place in our world.

*The invention of enterprise:*

*Entrepreneurship from ancient ...*

Entrepreneurship is the creation or extraction of value. With this definition, entrepreneurship is viewed as change, which may include other values than simply economic ones. . More narrow definitions have described entrepreneurship as the process of designing, launching and running a new business, which is often initially a small business, or as the "capacity and
