The Lords Of Creation Utoly The Lords of Creation, first published when the catastrophe of the 1930s was still painfully fresh, is a fascinating story of bankers, railroad tycoons, steel magnates, speculators, scoundrels, and robber barons. It is a tale of innovation and shocking exploitation—and a sobering reminder that history can indeed repeat itself. Amazon.com:

Very interesting account of several of the major financial movers and shakers who helped build the industrial might of the USA during the late 19th and early 20th centuries.

Conspiracy theorists tend to lump them all together as bad apples when in fact most saw the huge potential for their nation and moved to build it.

The first, Ainulindalë, tells of the creation of Eä, the "world that is." The second part, Valaquenta , gives a description of the Valar and Maiar , supernatural powers of Eä. The next section, Quenta Silmarillion , which forms the bulk of the collection, chronicles the history of the events before and during the First Age , including the wars over the Silmarils that gave the book its title.
