~~40+ The Mythic City Photographs Of New York By Samuel H~~

This is a list of photographs considered the most important in surveys where authoritative sources review the history of the medium not limited by time period, genre, topic, or other specific criteria. These images may be referred to as the most important, most iconic, or most influential—but they are all considered key images in the history of photography.

List of photographs considered the most important—Wikipedia

Life: 100 Photographs that Changed The World is a book of photographs, that are believed to have pushed towards a change, accumulated by the editors of Life in 2003. History. The project began with an online question posted on Life's website in 2003 ...
