Know the data. In the best of times, a job search is a complete emotional roller coaster of high highs and low lows (even if you 're choosing to make a switch). If you 've been forced to make a ...

The Part Of The Job Search No One Talks About (That Can ...
According to O'Donnell, the job search is a lot like sales—if you don't feed the funnel, you will find that you will have to start over. It's more work to start over than it is to at least keep the job search in maintenance mode. Some wise words to job search by: "Don't take a break unless you have to." Augustine agrees.

Pros and Cons of Quitting Your Job Search and Taking a Break
Often when a tough task isn 't quite clicking, you know the best way to change things up is to take a break. You 'll come back refreshed, with a new perspective that can help you break through a mental block. And yet, so often when the job search is getting people down, they take a more-is-more approach.

6 tips for getting hired after a career break | Robert Half UK
SANTA FE, N.M. (AP) — The spike in reported COVID-19 infections has prompted New Mexico labor officials to continue waiving until further notice job search requirements for those receiving unemployment benefits. The Department of Workforce Solutions made the announcement Monday on its website, reversing an earlier decision that had required people receiving benefits to report at least two work searches during their weekly certification process beginning Oct. 25.
