~~The Night Before Easter lyrics by Gaither Vocal Band with ...~~

An anonymous narrator waits for a ferryboat to help him cross the river Goltva. He describes the beautiful night sky, filled with stars that "gently twinkled their rays." The man starts talking to a "dark figure" nearby, who explains that he is waiting to see the Easter "lumination" or display of fireworks. This old peasant tells the narrator that he cannot afford to take the ferry over to the church on the other bank.

Despite many good points, what is difficult to avoid with THE NIGHT BEFORE EASTER is that it is a low budget production and allowances should be made for that. Sound issues, especially, plague some of the dialogue resulting in some distortion and muffling.

The Night Before Easter is a crowd-funded film from two of the people behind the slasher movie podcast, The Hysteria Continues.
