Among the many aspects of the story, it is the idea of redefining success and victory that makes The Old Man and the Sea, Ernest Hemingway's classic novella, so profound. It is a seemingly simple story: Santiago is an old, experienced fisherman who hasn't brought in a catch for months.

From the New York Times–bestselling author of *Poison Flower*: a retired intelligence officer is caught in “[a] harrowing hunt-and-hide adventure” (The New York Times). To all appearances, Dan Chase is a harmless retiree in Vermont with two big mutts and a grown daughter he keeps in touch with by phone. But most sixty-year-old widowers don't have multiple driver's licenses, savings stockpiled in banks across the country, or two Beretta Nanos stashed in the spare bedroom closet. Most have not spent decades on the run. Thirty-five years ago, as a young army intelligence hotshot, Chase was sent to Libya to covertly assist a rebel army. When the plan turned sour, Chase acted according to his conscience—and triggered consequences he never could have anticipated. To this day, someone still wants him dead. And just when he thought he was finally safe, Chase is confronted with the history he spent much of his life trying to escape. “Perry drives deep into Jack Reacher territory in this stand-alone [novel] . . . Swift, unsentimental, and deeply satisfying. Liam Neeson would be perfect in the title role.” —Kirkus Reviews

Now a major motion picture starring Robert Redford and Sissy Spacek, *The Old Man and the Gun* is here joined by two other riveting true-crime tales. “*The Old Man and the Gun*” is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. “*True Crime*” follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And “*The Chameleon*” recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a “worthy heir to Truman Capote” and “simply the best narrative nonfiction writer working today,” as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world.

Day breaks over the town. Get up, everybody! It's time to go to school. For the old man too, it's time to wake up. The night was icy and he's hungry. His name? He doesn't know . . . This is the story of a person with no job, no family, no home--a nobody, who can't even remember what he was once named. But his day changes when he is noticed by a child. Drawn in soft, watercolor pencil, this is an important story for our times. This gentle, compelling book will appeal to a child's sense of justice and to every reader's compassion.

Every Sunday, Grandpa waited for me in his room, and I took my place at the foot of the bed. There were days when Grandpa wanted to talk, and days when we sat in silence. Then one day, Grandpa began telling me stories about his life at sea—tales of love and adventure and danger on the ocean waves. And that's when I learned who my grandpa really was . . .

Part Hemingway, part Cormac McCarthy's *The Road*, a suspenseful odyssey into the dark heart of the post-apocalyptic American Southwest. Forty years after the destruction of civilization, human beings are reduced to salvaging the ruins of a broken world. One survivor's most prized possession is Hemingway's classic *The Old Man and the Sea*. With the words of the novel echoing across the wasteland, a living victim of the Nuclear Holocaust journeys into the unknown to break a curse.

What follows is an incredible tale of grit and endurance. A lone traveler must survive the desert wilderness and mankind gone savage to discover the truth of Hemingway's classic tale of man versus nature. Now with a new introduction by author Nick Cole.

In these tales, with one foot firmly planted in the present, Maxwell brings a certain sophisticated urbanity to the oral traditions of the fable and fairy tale. "The total effect is of something midway between the Brothers Grimm and Kafka, with perhaps a touch of Zen." (NYRB April 1966) While modern enough in locale and context, they are as old as humanity itself in what concerns them. And always that voice, the age old voice of the storyteller, the eternal magic of the speaking human voice. Such simplicity takes true artistry and Maxwell has that in spades.

The human race is in deep trouble. Mysterious spores are spreading across the Earth, creating the inevitable zombie pandemic. As the plague moves around the world, individuals and groups of people, their cities and their cultures react to the growing disaster. From a grizzled old ex-Marine outside Chicago, to a firefighter in the Siberian Arctic, to a sword wielding school girl in Japan, and many others, their ongoing stories track the unfolding destruction of civilization as ever-increasing hordes of ravenous, naked Infected threaten humanity's very existence! The first in a brand new series, fans of Max Brooks' World War Z and John Ringo's zombie novels will love this book!

Recalls the close relationship between a boy and his remarkable grandfather

Roger Angell, the acclaimed New Yorker writer and editor, steps up with a selection of writings that celebrate a view from the tenth decade of an engaged, vibrant life. Whether it's a Fourth of July in rural Maine, the opening game of the 2015 World Series, editorial exchanges with John Updike, a letter to a son, or his award-winning essay on aging, "This Old Man," what links the pieces is Angell's unique perceptions and humor, his utter absence of self-pity, and his appreciation of friends and colleagues encountered over a fruitful career unlike any other.
