More worthwhile would have been a book on the art of pantomime acting, or on slapstick acting. If you are putting on a pantomime then no book, and especially not this one, is going to make you funny. The people acting the pantomime need to be the people deciding on how they are going to make people laugh.

VARIETY SHOWS, MUSIC HALL, CABARET. The only known collection of pantomime jokes and sketches in captivity! With a foreword by Roy Hudd.

From the Sunday Times bestselling author of Seven Devils 'A fantastical, richly drawn, poignant take on a classic coming-of-age story' – Leigh Bardugo In a land of lost wonders, the past is stirring once more . . . Gene's life resembles a debutante's dream. Yet she hides a secret that would see her shunned by the nobility. Gene is both male and female. Then she displays unwanted magical abilities - last seen in mysterious beings from an almost-forgotten age. Matters escalate further when her parents plan a devastating betrayal, so she flees home, dressed as a boy. The city beyond contains glowing glass relics from a lost civilization. They call to her, but she wants freedom not mysteries. So, reinvented as 'Micah Grey', Gene joins the circus. As an aerialist, she discovers the joy of flight - but the circus has a dark side. She's also plagued by visions foretelling danger. A storm is howling in from the past, but will she heed its roar? 'A lyrical, stunningly written debut novel' – Amy Alward

Three of Charles Dickens's much-loved Christmas novellas-The Cricket on the Hearth, The Battle of Life, and The Haunted Man-are brought to life in this classic audiobook collection.

Of all the theatrical genres most prized by the Victorians, pantomime is the only one to have survived continuously into the twenty-first century. It remains as true today as it was in the 1830s, that a visit to the pantomime constitutes the first theatrical experience of most children and now, as then, a successful pantomime season is the key to the financial health of most theatres. Everyone went to the pantomime, from Queen Victoria and the royal family to the humblest of her subjects. It appealed equally to West End and East End, to London and the provinces, to both sexes and all ages. Many Victorian luminaries were devotees of the pantomime, notably among them John Ruskin, Charles Dickens, Lewis Carroll and W.E. Gladstone. In this vivid and evocative account of the Victorian pantomime, Jeffrey Richards examines the potent combination of slapstick, spectacle and subversion that ensured the enduring popularity of the form. The secret of its success, he argues, was its continual evolution. It acted as an accurate cultural barometer of its times, directly reflecting current attitudes, beliefs and preoccupations, and it kept up a flow of instantly recognisable topical allusions to political rows, fashion fads, technological triumphs, wars and revolutions, and society scandals. Richards assesses throughout the contribution of writers, producers, designers and stars to the success of the pantomime in its golden age. This book is a treat as rich and appetizing as turkey, mince pies and plum pudding.

A brilliant mystery series from bestselling author Enid Blyton, perfect for fans of The Secret Seven. Mr Goon is on holiday and there's a new policeman in town. While the Find-Outers are up to their usual games, he stumbles upon a puzzling mystery: the theatre safe has been robbed! The top suspect is Boisie, the pantomime cat, but Fatty, Larry, Daisy, Pip and Bets aren't convinced. Who could the real thief be? First published in 1949, this edition contains the original text and is unillustrated.

Each Christmas entire families in the UK troop off to see, what one could almost say is 'the obligatory', annual entertainment, known as Pantomime. It is a traditional, seasonal way of life for the British envied the world over, and one which only the British seem to understand! Pantomime serves both to entertain and to introduce each new generation to the joys of theatre in the most unique of ways, for this is not a type of theatre one merely watches, but one in which the audience participate – often in the most seemingly boisterous and bizarre of ways. The whole experience is steeped in tradition, traditions which only the British seem to understand, which is probably why we are proud to call it a 'British Experience.'?In A History of Pantomime Maureen Hughes takes a brief look at the history of Pantomime as well as taking a humorous look at some of the above mentioned traditions; she also gives a synopsis of each of the well-known Pantomimes whilst exploring the eccentric world of the characters who appear in them. There is also a short piece on just some of the most well-known and loved of the actors who each Christmas take on the part of Pantomime Dames across the UK, as well as a look at others who have contributed to this magical world of fun and eccentricity. It is thought by some to be frivolous and pointless piece of theatre, but a browse through this informative book and you will soon find that Pantomime is an art form all of its own, requiring the most dedicated and talented of actors/actresses who are prepared to honour and perpetuate this wonderful tradition as it is passed down from one generation to the next.??As seen in The Telegraph and the Sunday Post (Glasgow).

This book offers perhaps the most comprehensive history of pantomime ever written. No other book so thoroughly examines the varieties of pantomimic performance from the early Roman Empire, when the term 'pantomime' came into use, until the present. After thoroughly examining the complexities and startlingly imaginative performance strategies of Roman pantomime, the author identifies the peculiar political circumstances that revived and shaped pantomime in France and Austria in the eighteenth century, leading to the Pierrot obsession in the nineteenth century. Modernist aesthetics awakened a huge, highly diverse fascination with pantomime. The book explores an extraordinary variety of modernist and postmodern approaches to pantomime in Germany, Austria, France, numerous countries of Eastern Europe, Russia, Scandinavia, Spain, Belgium, The Netherlands, Chile, England, and The United States. Making use of many performance and historical documents never before included in pantomime histories, the book also discusses pantomime's messy relation to dance, its peculiar uses of music, its "modernization" through silent film aesthetics, and the extent to which writers, performers, or directors are "authors" of pantomimes. Just as importantly, the book explains why, more than any other performance medium, pantomime allows the spectator to see the body as the agent of narrative action.

The Routledge Pantomime Reader is the first anthology to document this entertainment genre—one of the most distinctive and ubiquitous in nineteenth-century Britain. Across ten different shows, readers witness pantomime's development from a highly improvisational venue for clowning, dance, and musical parody to a complex amalgamation of physical and topical comedy, stage wizardry, scenic spectacle, satire, and magical mayhem. Combining well-known tales such as "Cinderella", "Aladdin", and "Jack and the Beanstalk" with the lesser-known plotlines of "Peter Wilkins" and "The Prince of Happy Land", the book demonstrates not only how popular narratives were adapted to the current moment, but also how this blend of high and low entertainment addressed a whole range of social and cultural anxieties. Along with carefully annotated scripts, readers will find detailed introductions to all of the collected pantomimes and supplementary materials such as reviews, reminiscences, and a host of visual materials that bring these neglected entertainments to life. The plays collected here provide a remarkable perspective on the history of sexuality, class, and race during a period of vast imperial expansion and important social upheaval in Britain itself—essential reading for students and scholars of theatre history and popular performance.

Haley and her brother, Max, are alone after their mother's death and are sent to Wayfair Academy, a special needs boarding school for the deaf. Eventually, they find family amongst other deaf children. One night the group decides to dip their toes into crime... the thrill is too much to leave behind. They soon find out that stealing from the wrong person, has its consequences. With no one to turn to but each other, they must make a choice, one where no one comes out the same. Pantomime incorporates American Sign Language.

From the Sunday Times bestselling author of Seven Devils The gifted hide their talents, but dare they step into the light? Micah's Chimaera powers are growing, until his dark visions overwhelm him. Drystan is forced to take him to Dr Pozzi, to save his life. But can they really trust the doctor, especially when a close friend is revealed to be his spy? Meanwhile, violent unrest is sweeping the country, as anti-royalist factions fight to be heard. Then three chimaera are attacked, after revealing their existence with the monarchy's blessing - and the struggle becomes personal. A small sect decimated the chimaera in ancient times and nearly destroyed the world. Now they've re-emerged to spread terror once more. Micah will discover a royal secret, which draws him into the heart of the conflict. And he and his friends must risk everything to finally bring peace to their land. Masquerade is the third and final novel in Laura Lam's Micah Grey trilogy, following Pantomime and Shadowplay. Praise for the series 'A fantastical, richly drawn, poignant take on a classic coming-of-age story' – Leigh Bardugo 'A fable-like story as beautifully unique as its main character' – Malinda Lo
