Participation Game: Cohen, Norty: Amazon.com.au: Books

Participation is not a new concept (Buchy, Ross et al. 2000). It represents a move from the global, aspatial, top-down strategies that dominated early development initiatives to more locally sensitive methodologies (Storey 1999). There are differing opinions as to the origins of participation theory. Midgley et al (1986) suggested that the historical antecedents of community [...]

Evolution of Participation Theory - Social Capital ...

Building on the information developed in the previous six chapters, this chapter develops a theoretical model of international cooperation by means of the treaty instrument. The focus is on explaining why treaty participation is difficult to enforce. The theory shows that a treaty sustains cooperation by transforming the prisoners' dilemma. It also shows that there is a limit to how far this ...
