Pleasure and desire have been important components of the vision for sexuality education for over 20 years. This book argues that there has been a lack of scrutiny over the political motivations that underpin research supportive of pleasure and desire within comprehensive sexuality education. In this volume, key researchers in the field consider how discourses related to pleasure and desire ...

**The Politics of Pleasure in Sexuality Education: Pleasure ...**

Mostly, we feel our way through impression and identification. Our recent history—a nightmare from which we have not yet begun to awaken—is replete with moments when pleasure derives from symbolic combat, the surest source of political identity. The pleasure we take from a political rally, say, aligns us with a faithful populace.

**The Politics of Pleasure — Todd Gitlin — IAI TV**

Drawing on primary sources and much original research, THE POLITICS OF PLEASURE seeks to restore the core characteristic of humanity to someone who has long been judged merely another eminent but worthy Victorian.
